*If any additional items are needed for specific classes, we will work with the teacher for the school to supply as many items as possible.

The school will supply the following items to students on the first day of school:

- Chromebook & Charger

 - 1 Subject Notebook
 - 2 Folders
 - Pen

Backpacks... It is suggested that students purchase a mesh or see-through backpack, especially if they would like to carry items throughout the school day. A limited number of mesh bags will be available for students to use throughout the school year. Small purses/handbags may also be carried for personal items only. Normal type backpacks are not allowed during the school day for safety precautions. However, a normal backpack may be carried to and from school/bus to the student’s locker and left in the locker until the end of the day. Students are encouraged to use their locker throughout the school day to store their books/belongings and to keep their items secure.
