Patrick Jensen,
Superintendent

Welcome Back! The year ahead is promising as students, teachers, and staff return to campus. We've clearly learned over the past year that the best option for students is in-person learning and we're glad everyone is back. Student success relies on face-to-face interactions with teachers, coaches, and friends and when we learn together, we succeed together.

As students' experiences over the past year have varied greatly, we're focused on building relationships with students to ensure we meet their academic, social, and emotional needs. Teachers began the year by assessing students' strengths, developing plans to meet their needs, and are striving to build a productive rapport with families. While a virtual open house is not ideal, parents can contact teachers directly if questions or concerns arise and even meet in-person. Finding a resolution to a concern always begins with face-to-face conversation. In November, parents will be able to choose between an in-person or a virtual parent teacher conference, which ever option works best for your family.

As the year progresses and community transmission rates of Covid reduce, we anticipate more in-person opportunities for students and families. At the elementary school, minimizing contact between cohorts of students remains a priority. It greatly reduces the risk of infection and quarantine. At this time, we've delayed making any changes to masking and social distancing as these precautions continue to be mandated by the State of New York. The approval of vaccines for students aged 12 and older has greatly reduced

the number of students placed in quarantine. When students are vaccinated, they are not required to go into quarantine unless they are symptomatic. We hope our younger students have the same opportunity soon.

The capital project is finally beginning to wrap up. The work has shifted from the parking lots, sidewalks, and the high school office to plumbing and ventilation upgrades. A new pool ventilation system is complete and we're currently replacing the hot water tanks, along with quite a number of ventilation units on the roof. Masonry work and the replacement of the front canopies on the west face of the building should be complete in the next month.

Take Care,
Patrick Jensen
SCCS

Loretta Van Horn,
Assistant Superintendent for Business & Operations

Once again, the school year is underway with COVID restrictions in place. However, it is great to have all of our students back in attendance and receiving in-person instruction on a daily basis. It seems good to walk down the halls and see and hear the hustle and bustle of the students passing from class to class, or to hear the teachers and students participating in instruction. Although we continue to follow the guidance that New York State has provided regarding protecting our students and staff amidst the pandemic, our students are able to have/feel some sort of normalcy.

In transportation this year, our bus routes have somewhat returned to normal. However, masks wearing is still mandatory and seats are assigned for contact tracing purposes. As a reminder, NYS guidelines for riding on a school bus during COVID require the roof hatches on the buses to remain open if the outside air temperature is 46 degrees or above, to provide for air circulation. Please have your students dress appropriately so they are comfortable on the bus. Transportation requests have remained the same as stated in our COVID plan to create consistency and safety.

In our cafeteria this year, we are excited to announce that we have partnered with the USDA to provide free meals to all students regardless of income status for the 2021-2022 school year. Therefore, there is no fee charged for breakfast or lunch meals. Any snacks, extra meals or ala carte items still must be purchased with cash or funds on the student's account. No charging is allowed.

In facilities, our custodial crew continues to work hard to keep the buildings clean and sanitized to keep illness to a minimum. As you have likely seen, the capital project is well underway. You may have noticed while pulling into the driveways, the rather large pot holes are no longer there! The contractors did a great job with replacing our sidewalk, roadways and parking lots. On the exterior of the building, you will notice three of the canopies are in the process of being rebuilt and the bricks on the front of the building are being repointed. One section of the high school main entrance canopies has been removed. On the interior, the high school office has been updated and many of the classroom doors have been replaced. There have been other upgrades that are not visible unless you enter areas such as the boiler room or pool room, however these upgrades will improve air and water quality throughout many spaces in the building. Although the project is not completed yet, we are happy with the improvement we have seen.

Thank you all for the community and parent support of our students and school and we look forward to another successful school year!

Take Care & Be Well,

Loretta Van Horn
Assistant Superintendent for
Business and Operations

Junior/Senior High School

Luke Carnicelli, *Jr/Sr HS Principal*

Greetings from the Jr/Sr High School! I hope you and your families are well. Our school year continues to go well as students and teachers are settling into their courses. While a different instructional year from last year, we are thankful for all students returning to in-person classes. We welcome our new challenges this year as we continue to manage COVID related issues. We are ready for the challenges ahead as we outline our best strategies to assist students to success this school year.

Below, I included our main educational initiatives this year as we get back to our instruction as normal as possible. These two initiatives are vital to our continued success for our staff and students.

Educational Initiative #1: Multi-tiered systems of support (MTSS)

The data from last year demonstrated a need to provide support to students based on curriculum progress. This initiative will focus on prioritizing standards, collecting data on progress towards standards, adjusting curriculum maps, and providing interventions and supports. Teachers will identify the power standards for their course and adjust their curriculum maps to reflect the power standards on or about September 30, 2021. Teachers will collect individual student data on progress towards the power standards weekly. Teachers will meet in grade level teams to discuss student academic, behavioral, and attendance progress. Students will receive additional support and interventions or enrichment based on the data. Progress for these students would be monitored and adjusted every 2-3 weeks. The [MTSS system](#) will be used to analyze overall student progress and reported to student families every 6 weeks to ensure each student is showing growth.

Educational Initiative #2: Social and Emotional Learning (SEL) Practices

As we welcome all students back to in person learning, we will implement [Social and Emotional Learning \(SEL\)](#) activities into our curriculum. Social and Emotional Learning is the process through which students develop and effectively apply the knowledge, attitudes, and skills needed to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions. Teachers will receive monthly professional development based on the ideas of Social and Emotional Learning then create evidence-based activities to infuse into their lesson planning. There will also be opportunities to expand staff knowledge this year with the [NYSED initiative, Culturally Responsive-Sustaining \(CR-S\) practices](#). After our training, teachers will implement Social and Emotional Learning [[Character Strong](#) – Sr HS & [Second Step](#) – Jr HS] content to support the school mission of being safe, respectful, responsible, and kind, on or before the start of the semester 2, January 24, 2022.

For additional and current information from the Jr/Sr High School please reference the following...

Take care. Stay Safe. Go Chiefs!

Luke Carnicelli, Principal
Southern Cayuga Jr/Sr High School

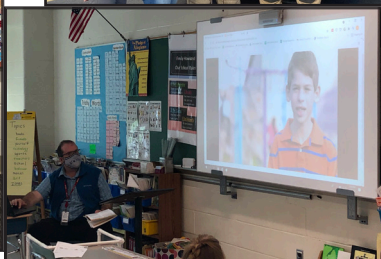

Emily Howland Elementary

Boyan Mnahoncak, *Elementary Principal*

We are truly off to a great start this school year! We continue to work as an Emily Howland Family to cultivate a respectful, positive and safe learning environment for all. Here are some highlights that I would love to share with you! The month of October was busy and awesome. During Bully Prevention Month, students participated in a series of lessons to raise bully awareness. Lessons were taught by our school counselor, Mr. Johnson. Together we can all make this world a better place!

We also had quite the Fire Prevention day! Our students greatly enjoyed this outdoor event that helped to spread the word about fire safety.

During world Space Week, Mrs. Mnahoncak dressed for the occasion! Space Week celebrates science, technology, and their contribution to the world. This year's theme was, "Women in Space". As we look forward to the end of the month, we are so excited to see you all at the famous Spooktacular event on Friday, October 29th (weather permitting). Following this event, is our Parent Teacher Conference on November 22nd. Again, we are so excited to have the opportunity to invite families on campus. Thank you!

SCCS Athletics

Caitlin Wasielewski, *AP/AD*

We are excited to have a full year of athletics again! This fall we had an outstanding fall season from all our teams! Thus far we had our boys' varsity soccer team qualify for sectionals. Nora Burroughs, one of our varsity cross country runners, was named athlete of the week by ESPN Ithaca for the week of October 11th for her winning performance at the IAC north divisional. Sophie Bennett received the sportsmanship award for the IAC north division. We look forward to more exceptional performances from our volleyball, boys' soccer, swim, and cross country athletes before we close out the fall season.

The winter season is also quickly approaching. We will be starting practices on the following dates:

October 25 - Boys Modified Basketball and Girls Modified Volleyball

November 15 - JV and Varsity Winter Sports

January 3 - Girls Modified Basketball and Boys Modified Swim

Athletes and families will receive more information as the start dates approach for their sports. We look forward to having a fun and successful winter season!

Follow us on Twitter to see pictures of our athletes in action: @SCAthletics2 GoCheifs!

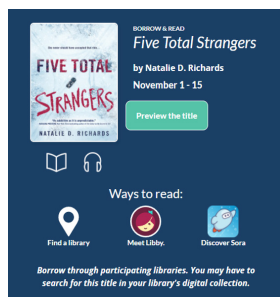

Things are Happening at the SCCS Library!

Students can visit the library to check out books, study, play board games, and participate in collaborative activities. This month's collaborative activity, is constructing a puzzle where students can relax in the lounge area and participate together. Twice a month a Makerspace activity will be offered for all students in grades 7-9! This week's Makerspace was a Make Your Own Button station. Students showed their creativity by designing colorful buttons that could be worn on clothes or pinned to backpacks. The next Makerspace will be November 1, and students will use recycled books to create fall decorations. For more information on Makerspace see the calendar on the Information Center section of the Library website.

In November, New York Times is offering a bestselling young adult title during Big Library Read, the world's largest digital book club. From November 1-15, students can join thousands of others around the world in borrowing and reading Natalie D. Richards's suspense thriller, Five Total Strangers, from their school's digital collection.

Southern Cayuga students can securely borrow the ebook and audiobook for free. Students will also have the opportunity to win awesome prizes by using #biglibraryread on social media. For more information visit biglibraryread.com

Fall 2021 Scholar Athlete Teams:

Boys Varsity Soccer 93.45
Girls Varsity Soccer 95.23
Girls Varsity Volleyball 96.55
Girls Varsity Swim 96.37
Boys Varsity Cross Country 91.74
Girls Varsity Cross Country 100.13

Fall 2021 Scholar Athlete Individuals:

Peter Angotti	Cennedi McCarthy
Charli Bennett	Nora McCarthy
Sophia Bennett	Charlie Miller
Audrey Brown	Alycia Orona
Cate Burroughs	Circe Perez
Ellen Burroughs	Nicholas Pinckney
Nora Burroughs	Kylah Purington
Hailey Campbell	Monica Rejman
Lauren Collier	Colby Sellen
Avrey Colton	Tyler Sheils
Parker Cullen	Kaya Shelton
Bryce David	Emma Smith-Dennis
Tyler Figueroa	Lauren Thompson
Alyssa Gavurnik	Nathan Thurston
Luke Gentry	Katie Turek
Masih Ghazanfari	Finn Turner
Julia Gloss	Lilianna Van De Water
Taylor Green	Brandon Vanacore
Louis Hasenjager	Elan VanArnum
JD Hauptfleisch	Mary Kate Vitale
David Hayden	Claire Walter
Samantha Johnson	Loralei Weber
Molleigh Johnson	Abigail White
Ana Marsh	Marissa Wiemann

Agricultural Experiences

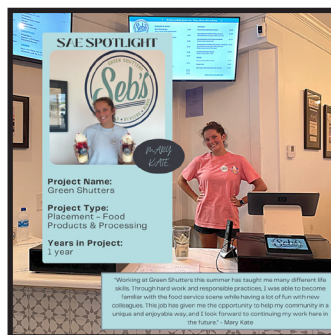

Throughout the summer, members of the Southern Cayuga FFA chapter immersed themselves into Supervised Agricultural Experiences (SAE).

A Supervised Agricultural Experience (SAE) program involves practical agricultural activities performed by students outside of scheduled classroom and laboratory time. SAEs provide a method in agricultural education for students to receive real-world career experiences in an area of agriculture that they are most interested in. Therefore, the programs are student-lead and instructor/advisor-supervised. Every year, members create goals and strive to achieve them to further grow their knowledge and skills in their agriculture activity.

During the past three years, Ms. Wasson has worked with members to develop their SAE's. At this time, there are 25 members with developing and active programs. The programs range from paid placements on farm to school-based research. These members will have the opportunity to gain recognition from the New York FFA Association and National FFA Association through proficiency awards and degrees.

Members with developing and active SAE's include the following:

Charli Bennett	Alex Keeney	Monica Rejman
Sophia Bennett	Benjamin Kulis	Chase Sheils
Cate Burroughs	Caleb Littlejohn	Tyler Sheils
Ellen Burroughs	Logan Littlejohn	Mary Kate Vitale
Nora Burroughs	Cennedi McCarthy	Sophia Vitale
Bryce David	Norah McCarthy	Brianna White
Ian Gentry	Talia Pallokat	Mackenzie Whitten
Ava Harvatine	Circe Perez	
Louis Hasenjager	James Rejman	

Fire Prevention Day

Students enjoyed a fantastic Fire Prevention Day at Emily Howland Elementary, PK-6 graders participated in discussions with firefighters about fire safety. Thank you to all of our firefighters for keeping us safe and protecting us all year long!

SCCS MUSIC DEPARTMENT

Southern Cayuga Music Department

Drama Club will take to the stage to perform a Cabaret, a selection of songs, dances, and scenes from various plays and musicals will be performed.

Mrs. Diana was so impressed by the stage crews' teamwork, and dedication for preparing the stage for the performance. Drama club council, the stage manager and assistant stage manager were patient and showed off their great leadership skills while training the younger students.

Next week as the cast begins rehearsals, the crew will begin making lighting designs and receive training on the new lighting board.

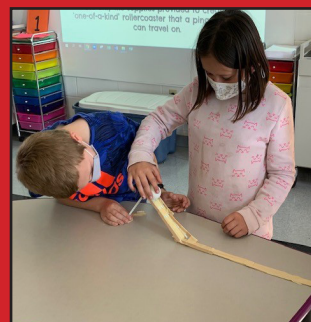

Tickets for Cabaret will be \$5 and available for pre-order starting Wednesday, October 27.

STEAM

Third Grade Students are Becoming Engineers!

Throughout October, our third grade students have had the opportunity to work with classmates and become engineers. They were challenged with the task to create a 'rollercoaster' for a ping pong ball using only their minds, 100 bendable straws, 10 popsicle sticks, masking tape, scissors and a ping pong ball. Within 45 minutes, students created a variety of one-of-a-kind roller coasters. Their goal was simply to have the ping pong ball move on their roller coaster. Teamwork, communication and process were emphasized throughout the project. At the conclusion of the activity, each team led a discussion about the successes and challenges that were experienced followed by a dramatic countdown to release their ball onto their inventions. What a fun way to learn that trial and error can lead to success!

IN THE NEWS

Dear Parents, Guardians and School Staff:

New York Education Law Section 409-H, effective July 1, 2001, requires all public and non-public elementary schools to provide written notifications to all persons in parental relation, faculty and staff regarding the potential use of pesticides periodically throughout the school year.

The Southern Cayuga Central School District is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour prior written notification of certain pesticide applications.

The following pesticide applications are not subject to prior notification requirements:

- ◇ A school remains unoccupied for a continuous 72 hours following an application;
- ◇ Anti-microbial products;
- ◇ Non-volatile rodenticides in tamper resistant bait stations in area inaccessible to children;
- ◇ Non-volatile insecticidal baits in tamper resistant bait stations inaccessible to children;
- ◇ Silica gels and other non-volatile ready-to-use pastes, forms or gels in areas inaccessible to children;
- ◇ Boric acid and disodium octaborate tetrahydrate;
- ◇ The application of EPA designated bio pesticides;
- ◇ The application of EPA designated exempt materials under 40CFR152.25;
- ◇ The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in our schools, please complete the form below and return it to Loretta Van Horn, the Southern Cayuga Central School District pesticide representative at 2384 State Route 34B, Aurora, New York 13026; phone 315.364.8711, ext 1103; or fax 315.364.7863.

Please contact Loretta Van Horn, the Southern Cayuga Central School District pesticide representative, if you have further questions on these requirements; 2384 State Route 34B, Aurora, New York 13026, 315.364.8711, ext 1103; or fax 315.364.7863.

LIBRARY NEWS

HAZARD LIBRARY

Phone: 315.364.7975

www.HazardLibrary.org

librarian@hazardlibrary.org

Facebook Hazard Library Association

We had a busy summer at Hazard Library with weekly “Science on the Lawn” and Ukulele Camp, and a visit from Captain Jack at the end of August.

We are continuing with in-person programming this fall:

- Story Hour – We meet each Tuesday morning at 9:30 AM. We are currently meeting on the library lawn so bring a blanket along to sit on. This is free and open to all children (from babies on up) who have not yet entered kindergarten and their caregivers.
- Southern Cayuga Book Club – We meet the first Wednesday of each month at 7:00 PM. We are currently meeting at Opendore (2978 State Route 34B, Sherwood). The read for November is “Caste” by Isabel Wilkerson). New members are always welcome. Please contact the library to be added to the e-mail list and to request a copy of the book.

Thank you to everyone who supported the King Ferry Food Pantry through the “Great Give Back”!

Come Trick or Treat with us on Sat Oct 30. We have trick-or-treat bags to color, books, and treats for all who visit both before and after Halloween. Masks are required for all users of the library and attendees at indoor programs. Thank you for following this protocol.

We are open on Tuesdays and Thursdays from 9-12 and 2-7 each day and on Saturdays from 9-1.

You can reach us at 315-364-7975, librarian@hazardlibrary.org, or on Facebook at [@HazardLibraryAssociation](https://www.facebook.com/HazardLibraryAssociation).

We look forward to seeing you at the library!

AURORA FREE LIBRARY

Phone: 315.364.8074

www.aurorafreelibrary.org

email: staff@aurorafreelibrary.org

What a wonderful summer we had! Thank you to everyone who supported our Book Sale this year and those who have donated to our Book Lovers’ Ball.

While our floors are being redone we have moved our new items and popular items to United Ministry at 337 Main Street in Aurora.

Our current hours are Monday, Wednesday and Friday from 4-6 pm and Saturdays from 10 am- 12 pm.

Outdoor Storytime this year is on Wednesdays at 9:30 am on the corner of Cherry Avenue and Court Street. All are invited to bring a blanket and join Miss Sandy for stories and songs. If it is rainy it will be on Facebook Live.

We plan to continue our Travel Series this fall. Please email us at staff@aurorafreelibrary.org if you have a trip you would like to share.

The Southern Cayuga Book Club is open to all and if you would like to be added to the book club mailing list email aurorafreelibrarycny@gmail.com.

Please check our website for more details on our offerings when we will reopen with our newly refurbished floors.

Reminder we have a bin where you can bring in nonperishable items during our open hours for donations to the King Ferry Food Pantry. We also have New York State Park Passes and a selection of board games and puzzles for checkout.

Email greaterauroracommunity@gmail.com to be added to The Hub community newsletter list to share event news with the greater community. Current and past issues are on our home page. Check Facebook and aurorafreelibrary.org for the up-to-date information. Be sure to stop by to meet our wonderful new employee Nicole Jackson.

We look forward to seeing you at the library.

COMMUNITY

King Ferry Food Pantry: Donate a Holiday Meal

During November and December, the King Ferry Food Pantry is offering an opportunity to donate a holiday meal for our neighbors in need.

A donation of \$25 will cover the cost of special foods for families who need a little help setting the table for the holidays. Your donation will be used to purchase traditional ingredients for a family to prepare and enjoy a festive meal: choice of turkey or other main dish, stuffing mix, potatoes, carrots, peas, cranberry sauce, gravy, fresh fruits/vegetables and desserts.

No one in our Southern Cayuga community should be hungry. If you need food, come to the pantry conveniently located at Southern Cayuga High School on Route 34B in Poplar Ridge. The pantry is open for drive-thru service from 9:00 a.m. – 12 noon on the first and third Saturdays of each month, and you will have the opportunity to select the foods your family needs and likes. For more information contact Debbie Patrick at (315) 497-2049, or email kingferryfoodpantry1@gmail.com.

We want to help our neighbors in need.

Amount Enclosed: _____

Save the Date!

The annual **Senior Citizen Luncheon and Concert** is scheduled for Wednesday, December 8, beginning at 12: 15 pm. The snow date is Thursday, December 9.

Come enjoy wonderful music from our students and a delicious complimentary turkey dinner will be prepared by our food service staff!

Please RSVP to Marcy Hand at 315-364-7211 on or before December 3rd.

Southern Cayuga's Annual FFA Fruit and Cheesecake sale October 15 - November 15

The Southern Cayuga FFA works hard to raise funds to ensure each member has the opportunity to participate in valuable local, state, and national agriculture leadership experiences. Although these experiences may look different this year, we want to continue to provide these opportunities to our members. Our chapter appreciates the support from our local community.

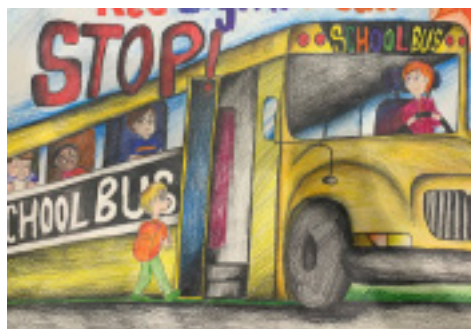

Our annual fruit and cheesecake sale is October 15-November 15. This year you can purchase online or from an FFA member. By purchasing some fresh and delicious fruit, you will support our FFA chapter members. To navigate our online website for fruit and cheesecake, visit <http://freshfruitorder.org/SouthernCayugaFFA>. Click on the Products tab or the button to the right that says "Place Your Order Here" and choose the items you would like to purchase. Orders are tentatively scheduled to be delivered the week of December 13. If you have any questions about any of the items online, your options for pick-up or delivery of your order, please contact Ms. Wasson at wassonh@southerncayuga.org or (315) 364 - 7111 x 1111.

New York State Guidelines for riding on a school bus during Covid

If the temperature is 46 degrees or above, the hatches on the buses must remain open for air circulation during Covid-19.

Please dress your children accordingly.

National School Bus Safety

Each fall, the third full week of October is designated as National School Bus Safety Week. This annual observation is an active and evolving public education program and a great way for parents, students, teachers, motorists, school bus operators, and school administrators to promote the importance of school bus safety.

Each year the theme of National School Bus Safety Week is derived from the Poster Contest the year before. "Be Safe-Know The Danger Zone" is the theme for 2021. Artwork produced during National School Bus Safety Week's annual poster contest is used in promotions throughout the year.

Resources are available at the National Association for Pupil Transportation website to develop programs and events that address the importance of school bus safety. For more information about National School Bus Safety Week, visit <https://www.napt.org/nsbsw>.
