PRINCIPAL'S WELCOME:

Welcome to the 2016-2017 school year! I would especially like to welcome all students and parent(s)/guardian(s) back to our school. Our 'school within a school' schedule will feature two distinct groupings of students at the 7-12 level. Our grade 7 & 8 (Jr HS) school, embraces the middle level philosophy with many of their core area classes in the same vicinity, block scheduling, teaming of teachers, and project-based learning classes. Our grades 9-12 (Sr HS) follows a single period schedule as in the past in order to fit the numerous electives and college course offerings at this level. Our main goal is to deliver the best education to our students. We hope you will find that Southern Cayuga Jr/Sr HS is a challenging and enjoyable place to learn as well as a school where everyone feels welcome.

In order for all of us at Southern Cayuga to become a school of excellence, we must have a shared vision of what an effective school looks like. In addition to the student skills for success mentioned above, I urge students and parents/guardians to consider these important attributes:

1. Everyone emphasizes the importance of learning.
2. Teachers and administrators continually strive to improve instructional effectiveness.
3. Students and teachers are engaged in new learning activities.
4. Staff is involved in professional development.
5. Students and teachers share high expectations for performance and quality instruction.
6. Parents and community members are invited to become involved.
7. Discipline is firm and consistent.
8. School time is used for learning.
9. There is a safe and orderly environment.
10. Members of the school community share a clear and focused mission.

What can we do that would make us proud of who we are?

We must commit ourselves to making good choices to enhance what we learn on a daily basis. If we believe that we can become an effective school, then we must be willing to put forth the hard work that is necessary to excel in today’s competitive workforce. We also must live up to our school mission which is encouraging high expectations, self-motivation, self-esteem and positive values throughout our school community. Together as a team we will succeed and become a school of excellence. Have a great year!

Sincerely,
Luke A. Carnicelli, Principal
Southern Cayuga Jr/Sr High School

TIPS FOR SUCCESS IN SCHOOL

- Eat a good breakfast before coming to school in the morning.
- Get plenty of sleep at night.
- Study is a matter of knowing how to read, listen, observe, and think.
- Make a definite daily schedule for study, setting aside time for each subject. Use study hall periods to prepare for the next day's classes and for last minute review.
- Be sure to understand the assignment. Always write assignments in your planner.
- Improve your reading by increasing your rate of reading, by reading with a purpose, by mastering the vocabulary and by using the dictionary whenever you meet new words you do not understand.
- Take a good attitude towards learning.
- Ask questions when you do not understand.
- Join school activities. They contribute greatly to your physical, mental and social growth.
- Make honesty your policy. It takes courage to face school assignments and tests. Only a quitter runs away.
- Be prompt. Tardiness can be a great disadvantage throughout your life.
- Have a good spirit. A school can be no better than its students.
- If you encounter difficulty in doing an assignment and cannot finish, report it to the teacher prior to the beginning of class.

Southern Cayuga Jr/Sr HS Philosophy

Our Mission Statement:

The Mission of Southern Cayuga Secondary School is to create an environment that is conducive to personal and academic excellence. This will be accomplished by creating a school community that embodies the principles of being: ***Safe, Respectful, Responsible, and Kind***.

Expectations for students in grades 7-12:

Students are expected to learn, to behave appropriately and to attend school regularly. Appropriate school behavior is expected at all school related functions, including riding on a school bus.

As members of the Southern Cayuga Student Body, we will be committed to holding one another to standards of behavior that exemplify the above mentioned ideals. We recognize that the behavioral expectations placed on our shoulders are significant. They are, however, only slightly different than the expectations placed on any responsible individual living in a society that values the ideal we are committed to. As in any other situation where a large group of people must come together and function well, we recognize and respect the fact that there are certain rules that must be adhered to. We further recognize that when rules are broken, there are consequences for those actions. This document is intended to outline the expectations that students must meet in order to maintain their status as an active member of the Southern Cayuga Student Body. Failure to meet these behavioral standards will result in disciplinary action administered by faculty members, but more importantly, represent a failure to uphold the standards that we, the Student Body, expect from ourselves.

Safety

All students are expected to engage in behavior that insures the emotional, social, psychological and physical well-being of all members of our community at all times. Violence of any sort will not be tolerated. Bullying-in all its forms-is unacceptable. Our student body will adhere to the principle that conflicts must be resolved through effective dialogue with one another. Our mandate is to create an inclusive social structure where ***all*** students feel safe, comfortable and empowered to deal with conflict in a non-violent and pro-social manner.

Further, it is the responsibility of all members of our community to report situations that do not adhere to this principle to a member of the SC Jr/Sr HS staff. Engaging in unsafe behavior, whether actions are directed toward oneself or another individual or group, represents a violation of student conduct and disciplinary policies, and is subject to consequences outlined therein.

“A student at Southern Cayuga CSD does not damage the property of anyone else nor that of the district.”

Responsibility

In order for any community to function effectively, it is essential that all members of that community take responsibility for themselves and maintain focus on the outcome and impact of their actions at all times. Just as teachers and staff commit themselves to meeting their professional responsibilities as educators, we, the students, must accept responsibility for the impact of our choices, language, behavior and presentation. WE are ultimately responsible for our own success, and we must maintain an awareness of how the choices that we make at any time may impact our ability, or the ability of others, to learn.

If we are interfering with the learning process, we must commit to changing our behavior to more effectively meet the standards outlined here.

New York State education law indicates that the teacher and the administrator have the right and responsibility to retrain and/or correct the behavior of students in attendance in school or at school functions when they fail to meet basic standards. Under the direction of the administrator, all support staff members have the same disciplinary rights, privileges, and responsibilities as a teacher. We, as students, are committed to taking responsibility for our own behavior, and recognize that all adults in our educational environment are responsible for holding us to these standards.

Kindness

Kindness is not a luxury that should be afforded only to those who we relate to in the same social groups, teams or classes. It is essential to our effectiveness as a school community. Our society is built on a foundation of relationships, which connect individuals, families, work environments, schools, countries and our global community. How we choose to relate to one another will ultimately determine our success as individuals. As students, we hold ourselves to a standard of kindness toward one another that goes beyond the baseline of "acceptable" behavior. We intend to set a standard of kindness that can be seen as a role model for future students and the communities in which we live.

Kindness is simple, accessible to everyone, and has the power to transform lives.

Respect

All members of the school community are unique, valuable and deserving of respect. Therefore, it is expected that all members of our community will be respectful in their actions and attitudes at all times. Students will address teachers and other adults appropriately and specifically as requested by the adult in the interaction (Mr., Mrs., Ms., etc.). During academic instruction of any sort, all students are expected to engage in behavior that allows the teacher to effectively teach, and fellow students to remain focused. General class disruption is an outward display of disrespect toward the learning community in general. Any actions that interrupt the learning process of others are unacceptable. Additionally, it is important to respect the need to maintain a socially appropriate demeanor at all times. Public displays of affection, inappropriate language (swearing, abusive language, name calling, etc.) have the potential to create an awkward social situation for those who witness them in the hallways and classrooms of our school, and represent a disregard for the social comfort of those around you. We believe such actions to be inherently disrespectful. Additionally, we believe that adherence to a reasonable dress code is a measure of respect for our community and for one another.

Bill of Rights and Responsibilities

The Southern Cayuga Central School District offers free public education to all school age students in the district regardless of race, sex, national origin or handicapping conditions.

As members of the school community, students are entitled to certain rights that are defined for their awareness and protection. Students also have certain responsibilities to themselves, to fellow students, to their teachers and to other school personnel.

However, the students' prime responsibility is recognized as being the personal advancement of their education and career goals within a framework that is civically responsible and socially appropriate.

Equally significant is the fact that others, including parents, teachers, counselors, administrators, other district employees and the Board of Education have a responsibility to students in the acquisition of their educational development and in providing for their personal safety.

Bill of Student Rights

1. Pursue an education in an atmosphere that is safe and conducive to learning, and to achieve all that they are capable of achieving.

10. Fulfill all financial obligations, including but not limited to fundraisers, vandalism, lost or damaged school property, etc.

Role of the Parent

It is the responsibility of the parent to:

1. Recognize that the primary responsibility for a child's welfare and development rests with the parent.
2. Teach the child by word and example, respect for law and authority.
3. Encourage the child to learn and respect the rights of others.
4. Encourage the child to attend school.
5. Know and understand the rules and regulations a child is required to observe at school.
6. Become familiar with handbooks provided at each building.
7. Provide guidance for the child to develop socially appropriate standards of conduct and behavior.
8. Strive to maintain the child in good physical, mental and emotional health.
9. Provide encouragement and support for the child in completing homework assignments.
10. Seek involvement in the child's school, its teachers, programs and activities; as well as to attend parent conferences and school functions.

Role of the Teacher

It is the responsibility of the teacher to:

1. Demonstrate, by work and action, respect for law and order and self-discipline.
2. Provide students with direction and guidance that will assist them in thinking, reasoning and in being responsible for their actions.
3. Keep students and parents informed regarding student development and progress.
4. Express enthusiasm and concern for teaching and learning.
5. Involve him/herself in the development of school rules and regulations regarding student conduct, and to require the appropriate student observance of the rules and regulations.
6. Be consistent, fair and firm in dealing with students both in and out of the classroom.
7. Reinforce positive student behavior.
8. Seek appropriate resources to bring about positive change in student behavior.
9. Continue to grow professionally in matters relating to positive student behavior.
10. Inform students and parents regarding curriculum at various grade levels.

Role of the Building Administration

It is the responsibility of the Building Administration to:

1. Create an environment that is conducive to learning.
2. Exercise the authority delegated by the Superintendent of Schools.
3. Be consistent, fair and firm in making decisions that affect students, staff and parents.
4. Demonstrate, by word and example, respect for law and order, self-discipline and a sincere concern for all students under his/her authority.
5. Develop reasonable and effective class schedules and teaching assignments for students and staff.
6. Set up and maintain open lines of communication with students, staff and parents.
7. Become involved with students by attending and supervising school activities, and by visiting classrooms.
8. Work with students, teachers, counselors and parents to establish cooperative techniques for bringing about positive student behavior.
9. Provide for the clear dissemination of rules and regulations to students, staff and parents.
10. Provide students and staff the rights of due process and equal protection that are guaranteed under the law.

STUDENT ATTENDANCE (Grades 7-12)

Every student has the right to the educational opportunities that will enable the student to develop to his or her fullest potential. To maximize these opportunities, it is the responsibility of the student to be in attendance daily. Southern Cayuga is committed to the philosophy that every student should attend every class every day. Regular attendance and promptness are expected in all classes and are essential for student success in school.

ATTENDANCE

Students should be in their 1st period class by 7:45 a.m. (grades 9-12) and 7:40 a.m. (grades 7 & 8). **Students must attend her/his assigned advisory class for attendance purposes. If a student does not attend their advisory, they will be marked absent by the teacher.** Those who are not in 1st period by the above mentioned time or are in school but fail to report to 1st period (without a proper excused reason) will be subject to disciplinary action. Every morning the Pledge of Allegiance will be led over the PA system at 7:45 a.m. Students who do not wish to participate are asked to stand during this short ceremony. Morning announcements will occur in each advisement class.

ABSENTEEISM

An absence is recorded for each and every occasion that a student is not present in school. Only those students with excused absences will be given the opportunity to make up a class. Under New York State Education law Section 3205, parents are responsible for the regular attendance of their children for instruction. State law mandates that students must attend school until the age of 16. **Students must finish the school year upon turning 16 years of age.** Schools are required to code absences (the reason) for the attendance records. When no reliable information is received within a reasonable period, absence will be considered unexcused. Writing an excuse is a privilege allowed the parent to assure the school that they know their child was absent, although the student still may be marked unexcused. *(See page 11 for excused reasons for absence).*

This philosophy is based on the following beliefs:

1. Regular attendance is an important aspect of a student's educational program.
2. The educational process requires a continuity of instruction and active classroom participation.
3. The maximization of student interaction with his or her teacher and peers occurs through regular attendance.
4. Regular attendance is a major component of academic success. It increases student achievement and reduces the dropout rate.

ATTENDANCE APPEAL PROCESS

Students who receive an audit for a course due to their failure to meet the minimum attendance may appeal to the Principal on the grounds that there are extenuating circumstances that warrant special consideration. All rulings on such appeals will be communicated to the student and parents. Further appeals may be made to the Principal and then to the Superintendent or her/his designee. Any time a student is absent, even for one day, the parent is asked to send a written note to the attendance office and also call the attendance office at 364-7111 x2114.

COURSE ATTENDANCE POLICY

Students will attend all assigned classes for the entire time the class is in session. A student will be considered in attendance if the student is:

1. Physically present in the classroom or working under the directions of the classroom teacher for over half of the class scheduled meeting time.
2. Working pursuant to an approved independent study program.
3. Receiving approved alternative instruction.

CONSEQUENCES FOR EXCESSIVE ABSENTEEISM

Credit for any course is contingent upon:

1. Meeting attendance requirement.
2. Obtaining a passing grade. In order to receive course credit, a student must be in attendance for a minimum of 85% of all scheduled class meetings. Excused absences will not be counted toward the levels below.

Students who fail to attend class and do not meet the minimum attendance requirements may receive an incomplete for that course. These students must audit the class. They will not be allowed to take any examinations. Participation in class course work is entirely voluntary and will not be graded. The following chart indicates the number of student absences (not tardies) at each level. Listed below are the notification, intervention and hearing procedures for each level.

<u>Class Meets:</u>	<u>One Semester</u>	<u>Full Year</u>
Level 1	7	14
Level 2	10	20
Level 3	15	30

Chart for Attendance Levels

- Level 1:** Teacher notifies guidance office for verification, teacher discusses with student, and notice sent home.
- Level 2:** Teacher notifies guidance office for verification, calls home, and teacher discusses with student, 2nd letter home.
- Level 3:** Teacher notifies student, attendance sends letter home, and Principal meets with student/family and verifies all student absences. Student then may need to complete an attendance recovery plan if he/she is over the level 3 limit.

Notification: Copies to: Family, Teacher, Principal and Counselor.

EXCUSED REASONS FOR ABSENCES

Excusable reasons for absences are:

1. Appointment with doctor note
2. Student illness with doctor note
3. Court appearance
4. Death in the family
5. Quarantine
6. Impassable roads or bad weather
7. Remedial health treatment
8. Approved cooperative work program or approved college visitations as well as school sponsored field trips and NYS driving test
9. Military obligation
10. Religious observance

ATTENDANCE RECOVERY

If a student exceeds the maximum threshold for absences they will be referred to our Attendance Recovery Plan. This plan will allow students to complete additional coursework in order to gain course credit for classes where they are receiving passing grades but have surpassed the attendance threshold. Students will be assigned modules (units) on a computer aided instruction curriculum. Module assignment and completion will be monitored by instructor and our guidance counselor. Students may access the program in the guidance office and ISS room. This will be an incremental plan-the greater the number of absences, the more modules the student will be asked to complete.

Students with 35 or more unexcused absences for semester courses and 80 or more unexcused absences for full year courses will not be allowed to take advantage of this Attendance Recovery Plan.

HOMEWORK FOR THE ABSENT STUDENT

When a student is absent due to illness or other reasons, the student/parent should make arrangements with the Jr/Sr HS office to get books and homework assignments. Homework is the student's responsibility.

PERMISSION TO LEAVE SCHOOL

Students who have a dental, medical, or other appointment during the school day must bring a signed, dated note from their parents or guardian to the Jr/Sr HS Attendance Office before school begins to be released. In addition, a parent or legal guardian must come into the school and sign the student out in order for the student to leave, unless they have parental permission to drive. All other checkouts will be only by parents coming into the school and signing out their student(s). If an appointment cannot be confirmed, by phone or by the parent in person, students will not be permitted to leave school.

No student, under any circumstances, is to leave school or school grounds without being officially excused. The only persons in the Jr/Sr HS authorized to officially excuse students are the Principal, secretary (in the guidance or main office) and the school nurse.

RE-ADMISSION PROCEDURE

When a situation occurs which causes a student to be absent from school, that student must adhere to the following:

1. In order for a student to be excused from school, they must be absent for one of the excused reasons as stated on the prior page. Upon returning to school, a student must submit to the attendance office a written excuse signed by his/her parent or guardian stating the student's name, date(s) of absence, and the specific reason for the absence. The nurse or attendance secretary may call the parent or guardian to verify the excuse for school truancy purposes.
2. If a student is absent for a reason outside of the outlined areas, they will be marked unexcused. As long as the student, upon returning to school, submits a written excuse signed by his/her parent or guardian stating the student's name, date(s) of absence, and the specific reason for the absence, the student will not be marked truant. The nurse or attendance secretary may call the parent or guardian to verify the excuse for school truancy purposes.
3. If a student returns to school without a properly written excuse, a phone call to the parents may be made and a phone note taken.

STEPS TO FOLLOW WHEN ABSENT

Students not in their classrooms by 7:40 a.m. (Jr HS) or 7:45 a.m. (Sr HS) are considered either absent or tardy to school.

If absent:

1. Bring a written note signed by parent or guardian stating the dates of the absence and reason to the Nurse's office.
2. Failure to do so within two (2) days constitutes student truancy.

If tardy:

1. Report to the attendance office immediately to sign-in.
2. Serve progressive consequences (after every 3 tardies), if unexcused.

NOTE: When a student is late to school they are actually missing a scheduled class. Chronic tardies to school may result in affecting eligibility of attending/participating in school and extra-curricular activities.

TARDINESS

Tardiness to school is a home problem. Parents are responsible by law to see that their children are in school “regularly on time every day” (Compulsory Education Law). Students reporting to school after 7:40 or 7:45 a.m. are late for class and must report immediately to the **Nurse’s Office** to sign in. Tardiness to school may affect a student’s ability to obtain credit for a course as a result of violating the attendance policy. Students must bring a note explaining the tardiness with them, and if this is not possible a written excuse should be brought to the school the next day. Flagrant violations of tardiness will result in further punitive action as well as parent conferences.

TRUANCY

When a student is absent from school or class without the knowledge or consent of his or her parents and a building administrator, the absence is considered truancy.

UNLAWFUL DETENTION

Unlawful detention occurs when the pupil is absent with the knowledge and consent of his parent or guardian, for other than excused reasons (e.g. work, needed at home).

SCHOOL SERVICES

Your school has many provisions to help you. Here are some of the special areas designed to assist you:

Counseling Services

The guidance counselors and Principal are concerned about your intellectual, physical, emotional, and social development. Stop in the main office for more information. Your guidance counselor can assist you at any time in an emergency, you may wish to take advantage of the knowledge and expertise of your counselor to help you make decisions about school. You should ordinarily make an appointment to meet with your counselor before or after school or during a study hall.

Psychology Services

We have a School Psychologist who can help you. The psychologist very often works to diagnose and evaluate your academic ability through tests, classroom observations, interviews, and record evaluations. The psychologist can also counsel you individually, or in groups. Sometimes the psychologists can help you by connecting you with an outside agency. You can make an appointment to meet with the psychologist through the Guidance Office.

Health Services/Medical Information

The Southern Cayuga Central School District recognizes that good student health is vital to successful learning and realizes its responsibility, along with that of the parents, to protect and foster a safe and healthful environment for the students.

Compulsory Immunization Law

Effective September 1, 2007 students who are entering 6th grade or a comparable age level special education school or program that are 11 years old or older must receive an immunization containing tetanus toxoids, diphtheria, and acellular pertussis (Tdap). If a student has received a Td, DT or DTaP vaccination within the last two years, the student's Tdap vaccination should be deferred until a period of two years has elapsed. Ten-year-old students who are entering 6th grade will not be required to receive Tdap vaccine and will not be excluded from school, but they must be flagged, tracked and immunized when they turn 11 years old.

As of July 1, 1980, no child shall be admitted or allowed to attend school in excess of 14 days without appropriate certification of immunization against polio, diphtheria, whooping cough and tetanus (DPT), measles, mumps, rubella (MMR).

Any child born on or after January 1, 1993 must have the Hepatitis B series. A child may be exempt from immunization requirements if his/her parents, or guardian(s) are bona fide members of a recognized religious organization whose teachings are contrary to immunization or if a physician certifies that immunization may be detrimental to the child's health.

A child needing immunizations may receive them at the Cayuga County Health Department in Auburn; please call 253-1584 for an appointment. A fee is charged for this service. If there are any questions regarding immunization, parents are encouraged to contact the school nurse.

Emergency Information

At the start of each school year, the school will send an emergency contact card home. Parents must complete this form and return it as soon as possible with their child. Parents must insure that the names and numbers they give the school can be reached during an emergency. If a child is injured, or too sick to stay in school, the school will need to be able to reach someone. Please let the school know when there are changes in these items (day care provider, phone number and place of work, etc.) during the school year (September-June). If a child needs emergency medical attention 911 will be called and the parents, guardians, or caregivers will be located.

Physical Examinations

It is required by New York State Education Law, and the Southern Cayuga Central School Board, that these following students have a yearly physical:

- ❖ New Students entering the district
- ❖ Students in K, 2nd, 4th, 7th & 10th Grades
- ❖ Students (grades 7-12) participating in interscholastic sports
- ❖ Students who need working papers

The school physician comes at different times throughout the school year to complete all the physicals. Occasionally, parents/guardians prefer to have their child's physical done by their own physician. If there is no record of a physical on file, and the school has not been notified otherwise, the student will have a physical at school with his/her class.

Nurse's Office Contact Information

Phone: 364-7111 x2172

Fax: 364-8207

Nurse's Office Guidelines

- ❖ All physical education and school absence excuses must be brought to the health office.
- ❖ All injuries and/or accidents that occur on school property must be reported immediately to the health office.
- ❖ During the school day, a pass from the classroom teacher is required to come to the health office. **STUDENTS ARE NOT TO REPORT TO THE HEALTH OFFICE BETWEEN CLASSES UNLESS IT IS AN EMERGENCY.** A student who reports to the health office without a pass will be sent back to the class unless it is a true emergency.
- ❖ Students wanting to lie down in the health office will be screened for genuine need.
- ❖ The telephone in the health office is not for student use.
- ❖ The nurse or attendance office will notify teachers if a student is sent home early.

Administration of Medication to Students

For those students who need prescribed medication or over-the-counter medication during school hours, the following conditions must be met:

- ❖ The medication must be brought to the school nurse by the parent or guardian in the original container. The label must be intact and legible.
- ❖ **No medication should ever be sent in with the student (unless cleared by the school nurse).**
- ❖ **Under no circumstances should a student self-medicate without the consent of the school nurse.**
- ❖ The school nurse may administer the medication if the parent submits a written request (forms are kept on file in the nurse's office) accompanied by the physician's statement indicating:

****Name of person receiving medication, Name of medication
Time to be given, Dosage, Route, Duration of treatment**

NYS Commissioner's guidelines state that based on the "severity of health care problems, particularly asthmatic or allergic conditions" a student may be permitted "to carry and self-administer her/his own prescribed medication". This is for students with asthma or with severe bee or food allergies. This would include inhalers and epi-pens. Again, a record of written permission should be on file with the school health office.

**Effective November 11, 1998, a student who has been diagnosed by a physician to have an asthmatic condition may carry and use a prescribed inhaler during the school day. Additionally a student who has been diagnosed by a physician to have a severe food or bee allergy may carry and use an epi-pen in the event of an emergency during the school day. A record of written permission from the physician and parental consent must be on file in the nurse's office.

GENERAL INFORMATION

ACADEMIC REQUIREMENTS

Specific information concerning the types of programs offered at Southern Cayuga can be obtained from your guidance counselor or from the Program of Studies booklet available in the Guidance Office or on the school website.

ACCIDENTS

All accidents **MUST BE REPORTED IMMEDIATELY** to the teacher in charge. If in doubt, tell the teacher. Do not wait until the next day.

ADDRESS CHANGE

Whenever a student changes his/her address or phone number, the guidance office should be notified immediately at 364-7111 x2114.

AFTER SCHOOL ACTIVITIES

No students are to remain in the school building after dismissal unless they are under the direct supervision of a teacher or coach. Students who remain in the building unsupervised may be subject to disciplinary action.

ASSEMBLY PROGRAMS

Individual grades will be called over the PA system to report to the auditorium for assembly programs. Upon arriving in the auditorium, each class will report to the assigned seating area.

Behavior During Assembly Programs:

1. Students are to remain seated during the program.
2. When expressing appreciation, students are to "clap hands" and refrain from yelling or whistling.
3. Students are to follow strictly the directions of the teacher supervising the seating area.
4. At the conclusion of the assembly program, **ALL** students will remain seated until dismissed by class.

CARE FOR SCHOOL PROPERTY

Students are expected to take pride in their school. Students are responsible for contributing to the maintenance of an environment that is conducive to learning and will be expected to show due respect to other persons and property (this includes the cafeteria, classrooms, lavatories, locker rooms, hallways, student lockers, and textbooks).

CELL PHONES/TELEPHONES

We ask students to use cell phones/office phones responsibly and to not interrupt their instruction when using a phone. Use of cell phones in a classroom is solely up to the discretion of the teacher.

Students who use their phones during school hours that lead to a disruption are subject to disciplinary actions including confiscation of the phone to Out of School Suspension.

1st offense: Collect phone, return to student at the end of the day; 2nd offense: collect phone, return to parent; 3rd offense: Collect phone, return to parent, ISS; 4th offense: multiple ISS days. Note: If a student fails to turn the phone over to a staff member the student will be subject to ISS or OSS.

COMPUTER USE

The district may offer our students access to the district computer network for Internet and e-mail (grades 7-12) for classroom use. To gain access to e-mail and the Internet, all students must obtain parental permission and return Acceptable Use Form to the Main Office as well as complete any additional school compliance forms. Access to e-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with the Internet users throughout the world.

Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While the district's intent is to make the Internet access available to further educational goals and objectives, students may find ways to access other materials as well. The district believes that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But, ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, we at school support and respect each family's right to decide whether or not to apply for access.

Students abusing his/her Internet access or workstation (computer) will have privileges revoked and may face disciplinary action.

CONFLICT RESOLUTION

Conflict resolution is a program set up to help students & staff resolve conflict. This program gives each of the parties the chance to communicate face to face so that each person is heard. Our school guidance counselors and Principal are available to all students when conflicts arise. Information is kept confidential.

DAILY OPENING EXERCISES

Students should be in their 1st period class by 7:45 a.m. (grades 9-12) and 7:40 a.m. (grades 7 & 8). Those who are not in 1st period by the above mentioned time or are in school but fail to report to 1st period (without a proper excused reason) will be subject to disciplinary action. Every morning the Pledge of Allegiance will be led over the PA system at 7:45 a.m.. Students who do not wish to participate are asked to stand during this short ceremony. Morning announcements will occur in each advisement class.

DRESS CODE

We believe that appropriate attire is important in developing worthwhile attitudes about the importance of school. Teachers and all other personnel should exemplify and reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting. Students will wear clothing and carry possessions (backpack, etc.) that are appropriate for the school atmosphere. **Students may carry stringpacks that are smaller in size which are clear or mesh. Small purses/handbags may also be carried for personal items only. Final consideration will be left with the building principal.**

Students are expected to be clean and neat in personal appearance and clothing when they come to school. Students are to wear shoes and shirts at all times while on school property (except in the pool or locker room). **No wearing of hats or sunglasses in the building except for a medical, religious purpose, or as approved by the principal.**

Hats/headwear are to be removed by 7:45 a.m., during the regular school day and at any school sponsored functions (unless approved by the building principal). Students are expected to remove their hats by 7:45 a.m. and store with their outerwear in their locker. Extremely brief and revealing garments such as, but not limited to, short shorts (not fingertip length), tube tops and shirts that reveal one's midriff, similar cut-off shirts, halter tops and plunging necklines (front and back) are not allowed.

Students are not allowed to wear an outfit or item that is a distraction to the educational process, at the discretion of school staff. The Principal will make the final determination, if necessary. If skirts/short are very short, student must have leggings or spandex shorts (that are not see through) underneath their clothing. Undergarments must be completely covered with outer clothing at all times. Students may not wear clothing that could be used inappropriately, or with pictures, words, diagrams, etc., that depicts, promote, suggest, and illustrate the following:

- illegal or violent activity; sexual innuendoes; profanities; drugs, alcohol or tobacco; ethnic, racial or religious prejudices; gender prejudice; situations adverse to the school atmosphere

For special events such as graduation or school concerts, students may be required to wear appropriate attire. The final decision as to the appropriateness of attire rests with the administration. Students who violate the student dress code will be required to modify their appearance by covering or removing the offending item and, if necessary or practical, changing into an acceptable item. Any student who refuses to do so will be subject to discipline, up to and including ISS for the day. Any student who repeatedly fails to comply with the dress code will be subject to further discipline, up to and including out of school suspension.

ELECTRONIC DEVICES

Electronic devices are allowed for Sr HS students, however if the e-device is deemed a nuisance it may be confiscated and returned to a parent/guardian if the student does not follow the school policy.

The exception to this allowance is if a student refuses to listen to staff direction or in the event the device is disturbing to others. Student then may lose the privilege of using these materials. **Jr High students are not allowed cell phone use, unless approved by a teacher.

EMANCIPATED MINORS

An "emancipated minor" is generally a minor over 16 years of age who is totally independent from the parent. The question of a student's legal emancipation generally arises in the context of residency for purposes of school tuition. A student claiming legal emancipation may be required to show not only proof of the establishment of a residence separate from parent or guardian, but that his or her parents have not retained authority and control over him or her.

A student who seeks to be designated an emancipated minor in the Southern Cayuga Central School District must meet the following requirements:

1. Proof of Residence - If residence is rented, a statement from the landlord stating the name of the minor as renter and a rent receipt in the minor's name; if residence is owned, a copy of the deed;
2. Legal Documentation from the Courts.
3. Evidence of Employment or Independent Income or Affidavit indicating source of separate income.

These statements are renewable each school year. If at any time the above information is changed without prompt notification or is proven to be false, the parent/guardian and/or student may be subject to legal action.

EMERGENCY CLOSING/SCHOOL DELAY

Emergency closing of school within the district may be necessary during the school year particularly due to ice or snowstorms. The district uses an emergency calling system to inform parents/guardians of an emergency closing. Emergency closing information will also be announced over the following radio/television stations:

EVACUATION/LOCKDOWN PROCEDURES

A comprehensive plan has been developed to ensure the safety of students and school personnel. Meeting areas and lockdown procedures have been established. It is important that students listen to all directions given and act in an orderly fashion. Most of all, **STAY WITH YOUR ASSIGNED TEACHER!**

EYE PROTECTION

Students are required by law to wear protective eye devices in hazardous situations. These include boiling liquids, using reactive chemicals, working with shop equipment, etc. - and any time when directed to do so by the teacher. This rule is for your own safety and should be observed very carefully.

FACULTY ROOM

Students are not to enter the faculty room without teacher approval.

FIELD TRIPS

Field trips are an extension of regular classroom activities; therefore, all school rules and regulations are in effect for students participating in such field trips.

Students who have exhibited consistently appropriate behavior and attendance will be allowed to participate, however, this privilege may be denied at the discretion of the administration. ***(Please note: students with multiple discipline referrals, tardies, poor attendance or grades, as well as incomplete work may be denied the privilege to attend a field trip).***

FIRE DRILLS/LOCKDOWN/EMERGENCY EVACUATION

1. All drills should be taken very seriously.
2. Become familiar with instructions posted in rooms and reviewed by your teacher.
3. Students nearest open windows should close them when the alarm sounds.
4. Watch for a blocked exit. If blocked, go to the nearest exit.
5. Students observed not strictly following directions during a drill will be subject to serious disciplinary action and parents will be notified.

FOOD SERVICES

Advanced payments, paid to cashier, can be cash or check (SCCS cafeteria) in any amount. Parents may also choose to pay for food services via www.mynutrikids.com. Please contact Jenice Jones at the number below should you be interested in this service. A lunch may be charged (No snacks may be charged).

Any family may apply for a free or reduced meal application at any time. Applications are available from any cashier or Jr/Sr High School office. Contact Jenice Jones, Cafeteria Manager, with any questions at 364-7111 x2159.

Breakfast

Breakfast will be served daily starting at 7:30 a.m. ending at 7:45 a.m. *Seniors will have the privilege of extended breakfast time until 8:45.* Free and reduced price plans will be followed. **All students must report to 1st period class in order to be marked present.**

1. Students eating breakfast are to report to school early enough to eat breakfast and report to class by 7:40 or 7:45 a.m. Students must be responsible about their time, as they will be marked tardy.
2. Failure to report to class after breakfast will result in a lunch detention.
3. On a 1 hour delay breakfast will be available; on 2 hour delay no breakfast will be provided.

Lunch

Students will be excused for lunch according to their class schedule. Students are expected to:

1. Behave responsibly in the cafeteria so that it will be a pleasant place for all to eat.
2. Be orderly, quiet, considerate, and respectful to the servers and cashiers while waiting in line, speak up when it is your turn to tell the server what you want.
3. Not "cut" ahead of other students, students are to stay in line.
4. Take the correct size serving. Servings larger than normal will be charged as a double serving. Review the menu board at the beginning of the line for self-serve combinations.
5. Under no circumstances be denied a lunch.
6. Not charge another student's lunch on their account without prior written permission by their parent/guardian.
7. Consume all food and beverage items inside the cafeteria.
8. Deposit all remaining food, gum, paper, etc., in the receptacles provided when finished eating and stack dishes. **Please do not discard dishes or silverware.**
9. Leave tables, chairs and the floor clean and orderly.
10. Remain in a supervised area. Obtain permission with agenda from the staff in charge before leaving the cafeteria.
11. Use only the lavatories in the corridor outside the cafeteria.

Students who do not follow the rules in the cafeteria will be subject to disciplinary consequences including permanent removal from the cafeteria. In the fall and spring, students may be allowed to eat outside at the picnic tables. Students are responsible for displaying appropriate behavior and leaving the area free of litter. Failure to do so will result in suspension of this privilege. Students who violate accepted standards in the cafeteria will be assigned to another area for lunch and may be required to clean the cafeteria.

FOOD/BEVERAGES

All food and/or beverages should be consumed in the cafeteria, unless the student has permission from a teacher to eat elsewhere. All vending machines should be utilized during breakfast, lunch and after school. Students are discouraged from bringing drinks to school, they are subject to search. Students are advised to not bring high energy drinks (e.g. Monster, Red Bull, etc...) or soda to school. **These drinks may be confiscated.** Glass containers are prohibited. School personnel reserve the right to inspect the contents of any opened container. *Please note: All bake goods brought to school must be store bought. Homemade goods are not allowed in school during the day, unless arranged for by a teacher.*

HALLWAYS

Students are expected to walk quietly and conduct themselves in the appropriate manner. Students in the hall while classes are ongoing must have a signed pass in their planner.

HOMEWORK, TEXTBOOKS AND CALCULATORS

Each of these are part of student classes and become your responsibility. You need to do your homework when it is assigned, the way it is assigned. Textbooks and calculators are lent to you by the school district to help you with your class work. You become responsible for each book/calculator given to you. You have to pay for lost or damaged books/calculators.

INQUIRIES AND SEARCHES IN SCHOOL

As provided for in New York State Education Law, students have no right or expectation of privacy with regard to school property. **School officials have the legal right and responsibility to inspect lockers or search a student's person or belongings on school property.** This includes vehicles parked in parking lots, when there is reasonable suspicion. **STUDENTS and PARENTS SHOULD BE AWARE THAT SCHOOL OFFICIALS HAVE THIS RIGHT BY LAW AND LOCKERS ARE SCHOOL PROPERTY.**

LIBRARY MEDIA CENTER

Use of library books, magazines, newspapers, pamphlets, and some audiovisuals are available to students. Books must be signed out; failure to do so is theft. Some magazines and reference books may be signed out for overnight use.

Maintaining a Distraction-Free Atmosphere

Recognizing the limited space available in the library and its heavy use, all students must cooperate at all times by behaving courteously and demonstrating consideration of others. Students should use the library as a place to do research, obtain information and materials, use computers, or to do individual work or reading. A person who is not acting respectful of library rules will be given a warning and/or progressive discipline will be applied as needed.

A student who has had his/her library privileges revoked may not be in the library unless his/her class is being held there.

Lost and Delinquent Material

Lost material must be paid for at replacement cost. Delinquent books are those that are two or more weeks overdue. Any student with delinquent materials may not sign out additional items. Every attempt is made to notify students of such overdue items. However, it is the responsibility of the student, not the library staff, to ensure that material is either returned promptly or renewed. Students having delinquent materials may not use the library except within a class scheduled for library use, until overdue materials are returned or paid for. Delinquent reference materials and periodicals are those that are four or more days overdue.

Library Computer Guidelines

Due to the cost of both the equipment and software and the educational rather than the recreational nature of the school library, the library computers are to be used for curriculum related research and for word processing/databases/spread sheets for school assignments.

LOCKERS/LOCKS

Lockers will be assigned to each student for their hall and PE locker and may not be changed without permission. Students will acknowledge and sign for the condition of their locker at the beginning and end of the school year. The locker assigned to you is the property of the school. Keep your locker clean and neat.

Students must use only their assigned locker unless approval through the office has been given for a locker change. Students are not permitted to attach obscene posters or pictures to their lockers (inside or outside). They are not to write on the inside or outside of their lockers nor attach any other items to the locker deemed inappropriate by the principal. The school will provide locks and **all lockers must be secured at all times. ONLY SCHOOL LOCKS WILL BE PERMITTED.** Memorize your combination and **DO NOT** give it to anyone or share your locker with anyone. This will prevent things from being stolen from lockers, and the opportunity for others to vandalize the inside of your locker. **Should items be stolen from a locker that is purposefully not secured the school is not responsible for the items.** Avoid excessive trips to your locker; plan your day and take books and materials for two or three periods when you visit your locker. Students sharing lockers may be subject to disciplinary action.

LOST AND FOUND

Items lost or found should be reported to the main office.

PASSES

Each student will find an allotment of hall passes in the back of his/her planner. These passes are to be used by all students in grades 7-12 when traveling in the hall when classes are scheduled. They should not be abused. Abuse of this privilege may result in lost pass privileges. **Students are allowed to use the passes in the back of their planner ONLY. If students do not have a hall pass when traveling in the hall students will be asked to return to class.**

1. Students must request permission to use these passes.
2. A teacher has the right to deny the use of these passes if they feel it is not appropriate for the student to leave class.
3. Students must have a pre-signed pass when going to see a teacher that has a class and it must have the period written on it that the teacher would like to see the student.
4. Planners need to be kept intact and not shared with other students.

PRIVILEGES AND RESPONSIBILITIES

Southern Cayuga staff works hard to provide an atmosphere whereby students are treated as young adults capable of assuming new responsibilities. We feel that this can be an important part of the learning process and that given the proper environment; students can accept and meet these challenges. Like anything in life, if something is given, something is asked for in return; that is, with these privileges also comes a responsibility. Senior Privilege: Seniors students **ONLY** are eligible for late arrival and early release from school. Students must be in good standing and in many cases are not eligible for this privilege until the 2nd marking period (unless approved by the principal). All proper paperwork with signatures must be completed before a student is allowed to arrive at school late or leave school early. If a student is interested, they must speak with the principal.

PUBLIC DISPLAY OF AFFECTION

Conspicuous displays of affection by students in school is an unacceptable behavior offensive to teachers and other students who must observe this behavior. Students who persistently engage in displays of affection in school are subject to disciplinary action as well as contacting home to inform parents of this persistent problem. Students may hold hands **ONLY**. Kissing, hugging & other excessive, intense displays of affection are prohibited.

SALE OF ITEMS

Individual students may not sell food/drink or other items for personal profit on school property, including buses. No direct sale of candy may occur during the school day according to NYS Education Law. This includes items offered as part of fund raising activities. Any items being sold will be confiscated.

SCHOOL DANCES

Dances are scheduled throughout the school year. Students are expected to follow all school rules while at dances. They should be attired in an appropriate fashion. Students will not be allowed to leave and then re-enter any school dance. Students should arrange transportation to and from the dance (students with a Junior license may not drive after dark or 9:00 P.M.). Students who are not following rules and regulations may be asked to leave the dance with NO refund. *Also, SC Jr/Sr HS reserves the right to administer an alcohol sensor test to students upon proper notification to students and parents/guardians.*

NOTE: Chaperones have complete authority to enforce all school and dance regulations. **If a student is not in good standing (grades & discipline) they may be withheld from attending a/all dance. Final consideration will be left with the building principal.**

SKIP DAYS

Southern Cayuga Central School does not condone these activities. Students participating in such activities will be subject to truancy regulations and other sanctions that may include elimination from commencement ceremonies.

STUDENT COUNCIL & 7-12 LEADERSHIP TEAM

There are two groups at each level (Jr & Sr HS). They represent students on various planning and visionary committees both in our school building. Concerns, ideas, and/or suggestions about what happens at school should be shared with representatives.

STUDENT DRIVERS

Driving to school is a special privilege, and may be revoked at any time. The following regulations must be followed:

1. Students intending to drive to school must register their vehicle in the main office. The registration form requires a parent signature.
2. The use of the parking lot is a privilege. Students must be prompt in attendance and follow all driving and parking regulations. Any accidents in the parking lot must be immediately reported to the main office. Those who do not behave responsibly will lose the privilege of parking on school property.
3. During school hours students will not be permitted to park anywhere on the circle from Route 34B around the front of the school.
4. At no time during the school day are students allowed to drive, ride, or sit in their cars. Students in violation will receive immediate disciplinary action.
5. No student may go to his/her vehicle during school hours without permission from an administrator. Students in violation will receive disciplinary action. If a student drives to school and parks in the student parking lot they must attend school.
6. The speed limit on school property is 15 miles per hour. Evidence of any reckless driving will result in the loss of driving privilege and may be reported to the authorities.
7. Anyone driving to school should be aware that it is against the law to pass a stopped school bus from any direction when the red warning lights are flashing. This law applies to buses in the school driveways as well as on the road.
8. Any student driver transporting another student must bring a parental permission slip that authorizes such travel. The student rider must also bring a parental permission slip authorizing such travel. The transportation of unregistered riders will be considered an infraction and will result in suspension or revocation of the driving privilege.
9. Student drivers and passengers will not be permitted to loiter on school property. Students are to leave school property immediately after dismissal.
10. In accordance with BOE policy, students parking their vehicles on school grounds consent to a search of their car by school officials under reasonable suspicion of wrong doing, or if there is reasonable cause to believe the search is necessary for the safety of students and staff.
11. Students are not permitted to park in any space designated for visitors, staff, or the handicapped.
12. Students attending BOCES programs may drive to their program with the proper consent.
13. Students failing to comply with the above mentioned rules and are still driving and parking on campus may be subject to vehicle towing at the students/parents expense.

It is the responsibility of the family to properly register vehicles and to follow all NYS and local laws regulating the operation of a motor vehicle. Only vehicles legally registered for highway use may be driven on the Southern Cayuga campus. Student drivers in possession of junior operator's licenses (class DJ or MJ), need to be aware of specific regulations, established by NYS Law, pertaining to driving to and from school and school related activities. Please note that after 9:00 PM, a student can only drive when accompanied by a parent or guardian or have their written permission, unless they are driving to or from a regularly scheduled, credit bearing class. In other words, extracurricular activities and social events, including the prom, usually will not qualify as valid reasons to drive without the accompaniment of a parent or guardian.

STUDY HALLS

During non-class time, students will be scheduled for study halls. In order for students to learn to make the best use of non-class time, they should have a choice of many alternative areas and activities. Everyone will have these options during non-class (study hall) times:

Media Center (Library)

Guidance Office if you need to see a counselor/college search

Classroom (with teacher's permission and pre-signed pass).

VISITORS

All visitors coming into the building during the school day must enter via the main entrance and report directly to the main office. Students from schools outside our district will not normally be allowed to visit the school. Exceptions to the visitation policy must be cleared through the building principal. No uninvited visitors will be allowed during school hours. Alumni visits are permitted after school hours.

WITHDRAWALS AND TRANSFERS FROM SCHOOL

A student who is withdrawing or transferring from Southern Cayuga should consult with the guidance counselor. A pupil release form will be issued and should be carried to classes so that the teachers may initial this form indicating that all books and materials have been returned. If a student is transferring to another school, it will be necessary for a parent (guardian) to sign a release of records form so that we may send academic records to the new school. All outstanding bills must be paid before records will be transferred.

WORKING PAPERS

Students seeking a working certificate may obtain an application from the Main Office. These may be obtained before or after school, or during your lunch period. All students between 14 and 18 years of age must have a working certificate if they have a job. However, it is not necessary to have employment in order to obtain a certificate. The application must include: **Parental consent, Proof of physical within previous 12 months, Birth certificate or equivalent proof of age**

Upon receipt of above, a certificate card will be issued. The employer will hold the certificate while the student is employed. When leaving employment, the student should retrieve the certificate until needed for another job. Working certificates are needed to work until 18 years of age.

SCHOOL BUS INFORMATION

CONDUCT

For everyone's safety, it is imperative that all students follow all directions given by the driver and obey the following "Code of Conduct on District School Buses". Riding the school bus is a privilege. Anyone who violates the rules and/or regulations will have this privilege taken away. Please review the "Rules for Bus Conduct" below with your child and encourage proper bus behavior.

- 1) The bus driver is in charge of the bus.
- 2) The bus driver's instructions are to be obeyed by all riders at all times.
- 3) Upon boarding the bus, riders are to go immediately to their assigned seat and remain seated for the duration of the trip.
- 4) Per school bus policy students are required to wear seat belts.
- 5) Upon boarding the bus, the school day officially begins.
- 6) The school bus is considered district property, and all rules and regulations enforced on district property are in force for students while riding on school buses.
- 7) Student actions, which have the effect of distracting the driver or otherwise affecting a safe and orderly environment on the bus, are strictly prohibited and will result in the automatic loss of riding privileges.
- 8) Such actions as the following, but not limited to these behaviors, will result in automatic loss of riding privileges:
 - Directing against the bus driver any personal attack, verbal abuses, threats, or obscenities
 - Smoking on the bus
 - Use of illegal drugs on the bus
 - Use of profanity, vulgar or inappropriate language
 - Deliberately causing damage to the vehicle
 - Deliberately tampering with emergency exits
 - Throwing objects within, outside, or at the bus that directly threatens the safety of students and/or driver
 - Being responsible for a physical altercation with other students
 - Threatening or harassing other students
 - Deliberately obstructing the driver's vision
 - Refusing to be seated in one's assigned seat

CONSEQUENCES OF STUDENT BUS CODE VIOLATIONS

The loss of riding privileges means that a student will not be allowed to ride the bus to and from school, including athletic and extracurricular trips. The bus driver must "witness", not simply "overhear" a violation, in order for a loss of riding privileges consequence to be enforced.

The beginning day for the denial of bus riding privileges is to be the next school day, immediately following notification to parents.

In the event that bus riding privileges are suspended, the school principal is to notify parents of the period these privileges are denied and the reason.

FIELD TRIPS/SPECTATOR GAMES

Buses are provided for Field Trips and many away sporting events. When spectator buses are provided for an event, students planning to attend must sign up at the time indicated for their class. Only grades 9-12 may ride on a spectator bus. Failure to comply with the following rules will result in the loss of the privilege until reinstated by the Principal. Students who ride a Field Trip/Spectator bus to an event must:

1. Return on the bus. The only exception is returning with one's parents/guardians or his/her designee. In this case, a note (including a parent/guardian's day-time phone number) must be taken to the Principal's Office by 1p.m. on the day of the event. If the event is scheduled for a weekend or non-school day, the note must be given to the principal by 1:00 p.m. on the last school day prior to the event.
2. Follow the usual bus rules and conduct themselves in a proper and responsible manner.
3. Obey the directions of chaperones.

LATE BUS

The late bus will depart from school Monday – Friday at approximately 3:40 p.m. The purpose of this bus is to provide transportation home for those students who must stay beyond the regular dismissal time for either detention, extracurricular activities, extra help, or P.M. BOCES. Students may be required to have a Late Bus Pass from the teacher they are staying with after school. Students who remain after school for detention or extra help and have a late bus pass must board the late bus immediately after leaving the building and remain on the bus until it leaves the driveway. **Students are not permitted to leave school grounds and return to ride the late bus. Students who violate this rule and/or are staying after school without good cause may be subject to disciplinary action.**

GUIDANCE AND COUNSELING SERVICES

Guidance Office Phone: 364-7111x2114

TBA, School Counselor & College Planning

Mrs. Thompson, School Counselor & DASA

Mrs. Schmitt, Secretary

The primary goal of the school-counseling program is to support and enhance student learning. Counseling services promote school success through a focus on academic achievement, prevention, intervention activities, advocacy, social/emotional, and career development.

The school counselor is a certified professional educator who provides services to students, teachers, parents, administrators, other school staff and members of the community as an integral part of a comprehensive education program. Counseling is a process of helping people. This occurs by assisting people to make responsible decisions and to develop positive behaviors. Through this process, school counselors promote the academic, career and personal/social development of all students.

GRADUATION REQUIREMENTS

Graduation requirements for each diploma type are listed below and on the next page. For more specific information on graduation requirements please see the SCHS website: (<http://www.southerncauyuga.org/High/HighIndex.htm>) or the NYS Education Department link: (http://www.emsc.nysed.gov/ciai/gradreq/GradReq3columnStyle7_1.pdf)

Requirements include:

1. A prescribed number of total units (26)
2. Certain required subjects
3. Testing requirements (RCT & Regents exams)

ACADEMIC GUIDELINES

ACADEMIC ELIGIBILITY (*Please see extracurricular activities as well*)

The primary goal of the Southern Cayuga Central School District is to educate the whole student, first by stimulating the student academically and then by offering a number of common experiences designed to develop the social, emotional, physical and ethical development of the individual. Extracurricular programs are designed to provide such experiences and are, therefore, considered an integral part of our educational program. These programs are, however, a privilege, and a student must maintain good academic standing in order to earn the right to participate in these programs. Refer to the extracurricular handbook for an explanation of *good academic standing*.

ACADEMIC ELIGIBILITY APPLIES TO:

Academic Eligibility will be extended to include all extra-curricular activities. This program shall include, but not be limited to, the following activities: All Interscholastic Sports (including attending games), Musical Activities Not Required for a Course, High School Challenge/Masterminds, National Honor Society, National Junior Honor Society, Class Committee Meetings, Dances, Snow Ball, Prom, School Trips held after school hours, Drama Club, FBLA, Student Council, FFA, Activities Not Required for a course, Yearbook, Foreign Language Club, and Intramurals. **National Honor Society (NHS): A copy of the NHS by-laws is available upon request from the HS office or NHS advisors. Information can also be found on the SC Jr/Sr HS website.**

Students declared ineligible (failing two or more courses) may participate in try-outs at the beginning of the season or the activity. Upon completion of the try-outs, the student may not participate in that activity in any capacity until eligibility has been restored. Each Advisor will produce a list of participants and submit the information to the Jr/Sr high school principal. The athletic director and the drama advisors will submit this list at the beginning of every season or production. Other advisors will produce the list at the beginning of the year and update when necessary.

ADVANCED PLACEMENT COURSES

Students enrolled in an advanced placement course(s) are required to take the AP examination(s) in May. The student is responsible for the cost of the exam(s). Students interested in challenging (taking) an AP exam while not enrolled in the course are directed to pre-register in the guidance office. Students who desire to challenge an AP exam are asked to see their school counselor by the end of the 1st semester.

AUDITING A COURSE

A student may be given permission to audit a course following a meeting with his/her guidance counselor, the course teacher and principal. At this meeting, guidelines will be established and a contract written.

BOCES REGIONAL EDUCATION CENTER

The Career and Technical Education Program at the BOCES facility on W. Genesee St. outside of Auburn offers many courses in building trades, business, electronics, engine trades, graphics, health, metal fabrication, and medical services (New Visions Program). Students enrolled in these programs attend the center on a half-day or full-day basis. Most students attending a BOCES program will most likely take PE at Southern Cayuga. For further information on these programs, see your school counselor.

BOCES PROCEDURES

Attendance

Students are expected to be in attendance at the Regional Education Center every day that school is in session, unless excused by Southern Cayuga. To do well and learn the skills of a particular trade, students need to have good attendance.

AM BOCES Students attending morning programs are to be on the bus by 8:30 a.m. The bus will leave promptly at 8:35 a.m. and will not wait for late arrivals. Upon returning to school, students are to report quickly and quietly to the cafeteria.

PM BOCES Students attending afternoon programs are to: Eat lunch during 10:59-11:29 a.m. Board the bus at approx. 11:30 a.m.

Missing the bus: Students missing the bus without sufficient reason may be dropped from the course or be requested to make up the time lost by serving detention.

Driving to the Regional Education Center: Students may not drive to any BOCES programs or BOCES campus without prior written permission by the Principal and parent.

CAREER CENTER

The Career Center is located in the guidance suite. The Career Center contains information on career, military, and educational opportunities. Both printed and computer resources are available. Students can find assistance in researching colleges, scholarships, job opportunities and volunteer placements. Assistance is also available to help prepare resumes and college or scholarship applications. Representatives from colleges, the military, and career fields regularly visit the Career Center to meet with students in scheduled programs.

COMPLETION OF FAILED COURSES

A student who fails a full-year senior high course must repeat the course for an extra year or meet one of the following alternatives:

1. Earn a passing average for three marking periods in one semester of a subsequent year, submit a satisfactory research paper if one is required for the semester not being repeated, and pass a Regents or local final examination at the end of the semester being repeated. A student will not be admitted to a final exam unless his/her average is passing. However, if a student has met the requirements for taking a Regents exam required for graduation, he/she will be allowed to take the Regents exam at every opportunity it is offered. The final mark will be determined by doubling each of the three marking period grades and counting the exam as one-seventh.
2. Pass the Regents examination in August and earn a passing final mark when the four previous quarter marks and the new appropriate exam mark are averaged.
3. Earn a passing final mark in summer school or night school. A student who fails a one-semester senior high course must repeat the course for a full semester. In certain sequential courses, the above policy does not apply:
4. Complete online modules (units) as assigned by the SC online instructor.

DOUBLING UP COURSES

Students in grades 9, 10, and 11 may not double (take two full year courses) in English and/or Social Studies without the expressed permission of the building Principal. If a student fails either of these required courses, she/he is advised to attend summer school immediately following the failure or complete the course via online credit recovery to make up the deficiency.

DROP-ADD COURSE POLICY

A student may enroll in a new course during the first **2 weeks** of a semester course and during the first **3 weeks** of a full year course. (This does not apply to AP courses.) A student may drop a course (if it does not affect graduation requirements) for a valid reason. This can take place during the 1st half of the year only for yearlong courses and by the end of the 1st marking period for semester courses. (Deadline extensions may be granted only under special circumstances.) Approval for adding or dropping a course is required by parents/guardians, teacher(s), counselor and administration.

EARLY GRADUATION

Students must complete an application for early graduation by January during his/her 10th grade year and have an overall average of 92.5 or better by the end of 10th grade for eligibility. Applications are available in the guidance office. Final approval must be obtained by the building principal.

GRADUATION

The building principal and senior class advisor will schedule graduation practice. In order for a student to participate in graduation ceremonies, they must attend this mandatory practice. If in doubt see the building principal.

Ceremony

The graduation ceremony will take place in the school auditorium on the day and time specified by the District. The graduation candidate will be required to wear appropriate attire, as directed. Each candidate must wear the approved cap and gown to participate in the ceremony.

Diploma Endorsements

There are several honors/endorsements that may be added to diplomas. See your school counselor for an explanation of the honors.

INCOMPLETES or NOT ELIGIBLE

All work should be completed promptly. In an emergency, a mark of INC or NE may be given. The work must be made up within 1 week after the end of the marking period unless the principal and teacher give an extension. If at the end of the week the work has not been completed, the teacher will arrive at a grade based on completed work and missing grades.

INDEPENDENT STUDY

Independent study is designed for students who wish to study a subject not currently taught or to work at a level of difficulty different from that of a regular class. Final approval for Independent Study must be obtained by the building principal.

1. No more than one course of independent study may be contracted for a student in any given semester.
2. Laboratory science courses are not possible for independent study.
3. A student wishing to engage in an independent study course must have the cooperating teacher present his or her name before the Independent Study Committee together with an outline or plan of what would be expected of that student.
4. A written contract between the student and cooperating teacher must be entered into stating requirements, terms, conditions, deadlines and other expectations for the course.
5. A committee consisting of the building principal, two teachers, and counselor will consider each request for independent study along with the cooperating teacher. The decision will be based on an estimate of the student's ability to carry out the conditions of the agreement successfully. The committee's decision will be binding.
6. The grading system and credit proposed for the course is to be part of the course approval request and must be agreed upon by the Independent Study Committee.

MAKE-UP WORK PROCEDURES

The time limit for make-up work and tests for students who were absent due to illness will be twice the time of the absence, i.e., if the student is out sick for five days, work should be made up within ten days. Tutoring services may be available for students who will be out of school for more than ten days or longer extended periods of time. Parents should provide written documentation from the medical personnel or other official organization requiring the tutoring. This paperwork should be submitted to the Principal's secretary and /or the student's school counselor as soon as possible in order to provide the service in a timely manner.

MARKING PERIOD PROCEDURE

Each teacher will arrive at a grade for each pupil based upon a combination of class performance, teacher-made tests, homework, and effort.

Computing Final Marks for Half-Year Courses

1. Three marking period grades (x2).
2. Enter the final examination grade.
3. Divide by seven (7).

Computing Final Marks for Full Year Courses

1. Enter each of the marking period grades.
2. Enter the final examination grade.
3. Divide by seven (7).

The minimum passing mark for all courses is a final mark of 65 percent. A Regents examination does not by itself carry course credit. **Regents exams are generally used as the course final exam, an exception is with a comprehensive exam.**

MINIMUM UNITS REQUIRED FOR CLASS STANDING

To be promoted from:

Freshman to Sophomore	4½ units and pass English 9 or Global History 9
Sophomore to Junior	11 units and pass English 9 and Global History 9, and English 10 and Global History 10, Living Environment

PASS-FAIL

Seniors may be allowed to earn a maximum of one credit (beyond their graduation requirements) on a Pass-Fail basis. An agreement must be signed by the third week of the course. See your counselor for further information.

PROGRAM PLANNING

Students in grades 7-11 will carry at least 7 periods of instruction each semester including physical education.

Seniors will carry at least 4 periods of instruction each semester including physical education. Only the principal on recommendation of the guidance department may waive these rules.

PEER TUTOR PROGRAM

PROGRAM OF STUDIES

Southern Cayuga Jr/Sr HS offers a comprehensive program of studies that includes enriched, honors, advanced placement, Community College, SUPA, Tech Prep, and possible online learning courses. In addition to a strong core academic program, there are elective offerings in visual and performing arts, Technology Education, and Agriculture Education.

Spanish (starting in grade 8) is taught to SC Jr/Sr HS students. For more information, consult the Jr/Sr High School Course Description booklet available in the guidance office or on the school website.

REGENTS REQUIREMENTS

The New York State Board of Regents requires all public school students throughout the State to pass Regents Exams in order to graduate from high school. All students entering ninth grade must score 65 or higher on Regents Exams covering English, math, social studies, and science before graduating.

A passing score of 65% will still be required for Regents credit, however if a IEP student receives between a 45% and 64% on select exams they may be granted local credit and will receive a Local Diploma.

REGENTS CREDIT WITHOUT COURSE COMPLETION

1. Only students who regularly attend school will be considered. Furthermore, the student must have a minimum average of 90% in this particular subject area based on his/her final grade from the previous school year.
2. If a student is approved to have this opportunity, the student must:
 - Submit parental approval using the designated form
 - Take a pre-test and receive a minimum score of 90% in the particular subject
 - Complete a special project and submit 15 school days prior to state examination and receive a minimum score of 90%. This project will be determined by the HS principal and student's teachers
 - Meet all state requirements set forth by the NYSED Commissioner

Upon successfully completing both the pre-test and the special project, the student will then be allowed to take a State approved or State developed final examination. The student must score at least an 85% on this exam.

SCHEDULE CHANGES

We encourage students/parents to contact the Guidance Office to change a previously selected course. This should be done before the school year begins or soon thereafter.

The following rules need apply:

2. Students must remain in scheduled courses(s) until an authorized program change has been put in place.
3. All schedule changes require written parental permission.
4. No students may drop
 - a. Full year courses after the 1st semester

SCHEDULE CHANGE REQUEST WILL BE APPROVED (IF POSSIBLE) FOR THE FOLLOWING REASONS:

1. Computer error

The Seniors sponsor a magazine subscription sale and a dance to raise the necessary funds. **The overall cost per Senior is approximately \$100.00.** If the class fails to raise enough money from the two fundraisers, then the individual Seniors are responsible to make up any individual difference as determined by their number of magazine sales and participation in conducting the dance. A prorated deduction will be made for any student who does not wish to have some of the listed items.

SUPA (Syracuse University Project Advance), AP, COLLEGE COURSES

Southern Cayuga CSD Student Code of Conduct

New York State Education Law recognizes that the teacher and the administrator have the right and responsibility to retrain and/or correct the behavior of students in attendance in school or at school functions. Under the direction of the administrator, all support staff members have the same disciplinary rights, privileges, and responsibilities as a teacher. Physical force or restraint, reasonable in manner and moderate in degree, may be used in situations that affect the immediate health or safety of students, staff, visitors, or the protection of public property from destructive mischief.

The intent of this abridged Code of Conduct is to promote responsible behavior that creates an orderly and safe school environment. The entire SCCS Code of Conduct document may be referenced on the district webpage via www.southern cayuga.com. It is the belief of the Southern Cayuga Central School District that everyone in our community must strive toward contributing to this goal. The objective is to develop a moral school community based on:

Responsible Behavior:

Use self-control in your actions and language.

Mutual Respect:

Treat yourself and others with care and consideration.

Concern for Others:

Be truthful, honest and fair in your dealings with others.

Cooperation:

Listen and work together to make a positive contribution.

Personal & Academic Excellence:

Put forth your best effort in whatever you attempt.

EXPECTED STUDENT CONDUCT

- ❖ DIGNITY FOR ALL STUDENTS ACT (DIGNITY ACT)
(As referenced from NYSED guidance document <http://www.p12.nysed.gov/dignityact/>) April 2012

Scope

The Dignity Act prohibits discrimination and harassment of students on school property, including at school functions, by any student and/or employee. However, harassment may include, among other things, the use, both on and off school property, of information technology, including, but not limited to, e-mail, instant messaging, blogs, chat rooms, pagers, cell phones, gaming systems and social media websites, to deliberately harass or threaten others. This type of harassment is generally referred to as cyberbullying. For further information, please refer to SED's Guidance on Bullying and Cyberbullying, which can be found at: www.p12.nysed.gov/technology/internet_safety/documents/cyberbullying.html

The intent of the Dignity for All Students Act (hereinafter referred to as the Dignity Act) is to provide all public school students with an environment free from discrimination and harassment, as well as to foster civility in public schools. It also focuses on prevention of harassment and discriminatory behaviors through the promotion of educational measures meant to positively impact school culture and climate. Among the Dignity Act's provisions, is the requirement that all public school districts (districts) and boards of cooperative educational services (BOCES) include in their Codes of Conduct provisions prohibiting discrimination and harassment against students by students and/or school employees on school property or at a school function, as well as provisions for responding to acts of discrimination and harassment against students by students and/or school employees on school property or at a school function. By building on the 2000 Safe Schools Against Violence in Education Act (SAVE), which focuses primarily on guiding districts, BOCES and charter schools on how to report and respond to violent and disruptive incidents, the Dignity Act is designed to assist districts, BOCES and charter schools in strengthening their existing policies, and developing new policies as needed, to protect students and upholds New York State's commitment to provide safe and orderly schools for its students.

Dignity Act Coordinator (DAC)

The Dignity Act also requires that at least one staff member at every school be thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, and sex (Education Law §13[3]). This staff member is Mrs. Tanya Thompson (SCCS Guidance Counselor).

Partners

Because the Dignity Act emphasizes the importance of tolerance and respect for others by students and staff alike, all members of the school community, including essential partners such as superintendents, school board members, parents, students, teachers, guidance counselors, principals/administrators, support staff, and other school personnel have particularly important roles to play in its implementation.

School employee responsibilities include:

1. Maintain a climate of mutual respect and dignity for all students regardless of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex, which will strengthen students' confidence and promote learning.
2. Confront issues of discrimination and harassment or any situation that threatens the emotional or physical health or safety of any student, school employee or any person who is lawfully on school property or at a school function.
3. Address personal biases that may prevent equal treatment of all students in the school or classroom setting.
4. Report incidents of discrimination and harassment that are witnessed or otherwise brought to a school employee's attention in a timely manner.

Disciplinary and Remedial Consequences

The Dignity Act emphasizes the creation and maintenance of a positive learning environment for all students. In addition, the Dignity Act requires the development of measured, balanced and age-appropriate responses to the discrimination and harassment of students by students and/or employees on school property, including school functions, with remedies and procedures focusing on intervention and education. Such remedial/disciplinary responses will be included in the Code of Conduct (within the student handbook) and place the focus of discipline on discerning and correcting the reasons why discrimination and harassment occurred. The remedial responses should also be designed to correct the problem behavior, prevent another occurrence of the behavior, and protect the target of the act or acts. Appropriate remedial measures may include, but are not limited to:

- peer support groups; corrective instruction or other relevant learning or service experience; supportive intervention; behavioral assessment or evaluation; behavioral management plans, with benchmarks that are closely monitored; student counseling and parent conferences; and disciplinary consequences ranging from detention to out-of-school suspension.

Beyond these individual-focused remedial responses, school-wide or environmental remediation can be an important tool to prevent discrimination and harassment. Environmental remediation strategies may include:

- supervisory systems which empower school staff with prevention and intervention tools to address incidents of discrimination, harassment and bullying; school and community surveys or other strategies for determining the conditions contributing to the relevant behavior; adoption of research-based, systemic harassment prevention programs; modification of schedules; adjustment in hallway traffic and other student routes of travel; targeted use of monitors; staff professional development; parent conferences; involvement of parent-teacher organizations; and peer support groups.
- ❖ Intimidation, which includes engaging in actions or statements that put an individual in fear of bodily harm.
- ❖ Coercion.
- ❖ Hazing, which includes any intentional or reckless act directed against another for the purpose of initiation into, affiliating with, or maintaining membership in any school sponsored activity, organization, club, or team.
- ❖ Selling, using, or possessing obscene material.
- ❖ Using vulgar or abusive language, cursing, or swearing.
- ❖ Smoking, or attempted smoking, which shall be defined as holding or disposing of a cigarette, pipe or cigar (lit or unlit), snuff, chewing tobacco, matches, lighter, having the above in one's possession, exhaling smoke from mouth or nose on school property or at school functions. If a student is in a lavatory stall and smoke is coming out of the stall, the student is guilty of a smoking offense. If more than one student is in a stall at any time, all are guilty of smoking.
- ❖ Possessing, consuming, sharing and/or selling, distributing or exchanging alcoholic beverages or illegal substances, or being under the influence of either. Paraphernalia for the use of such drugs shall be prohibited as well.
- ❖ Inappropriately using, possessing, or sharing prescription and over-the-counter drugs.
- ❖ Inappropriate use, or possession of, any substance or object.
- ❖ Gambling.
- ❖ Indecent exposure, that is, exposure to sight of the private parts of the body in a lewd or indecent manner.
- ❖ Initiating a report warning of fire or other catastrophe without valid cause, misuse of 911, tampering with, or discharging a fire extinguisher.
- ❖ Willfully inciting others to commit any of the acts herein, or to engage in irresponsible behavior or conduct contrary to decent, polite, honorable, and honest students.
- ❖ Forgery or a submission of a forgery.
- ❖ Any action that violates a public law.

F. Misconduct on a School Bus

It is crucial for students to behave appropriately while riding on district buses to ensure their safety and that of other passengers and to avoid distracting the bus driver. Students are required to conduct themselves on the bus in a manner consistent with established standards for classroom behavior.

Excessive noise, pushing, shoving, and fighting will not be tolerated. The safety and comfort of all students require that the following regulations be obeyed:

Students must:

- ❖ Be on time at the scheduled stop for boarding the bus
- ❖ Wait until the bus comes to a full stop before attempting to enter or leave.
- ❖ Refrain from eating, drinking, or chewing gum while on the bus.
- ❖ Keep their arms and head completely inside the bus at all times.
- ❖ Refrain from shouting while riding the bus.
- ❖ Stay in their seats and not move around.
- ❖ Keep waste paper in one's own possession and never throw it out the window or around the bus.
- ❖ Cross approximately 10 feet in front of the bus
- ❖ Look both ways before crossing the highway.
- ❖ Be courteous, obedient, and a responsible passenger at all times.
- ❖ Items brought on the bus other than books, notebooks, and school related materials must be totally contained in a duffel bag or backpack; these items must remain contained for the entire trip.
- ❖ Any large items, such as school projects that cannot be contained on the student's lap, may not be transported on the bus. The student must find alternative means of transportation.

H. Academic Misconduct

Examples of academic misconduct include:

- ❖ Plagiarism.
- ❖ Cheating.
- ❖ Copying.
- ❖ Altering records.
- ❖ Assisting another student in any of the above actions.

Policies/Procedures and Discipline

GENERAL POLICY

All students must abide by and adhere to policies approved by the Southern Cayuga Board of Education. In addition, all students are expected to follow specific instructions given by a teacher, staff member, or administrator relating to the operation of the school program. Failure to comply may be considered an act of insubordination. The purpose of written disciplinary regulations is to prevent or deter unacceptable behavior, and provide for uniformity and fairness in dealing with all students. The goals of the written code are to establish a positive learning atmosphere, to ensure understanding and respect for the rights and property of all, and to promote individual responsibility and self-control.

DISCIPLINE

All corrective consequences for violations of school rules will be reasonable in manner, moderate in degree, and appropriate to the violation. They will be of such a nature that each subsequent violation will be dealt with more severely. The infractions of school discipline are listed on the following pages. It is not possible to cover all topics of student misbehavior. **Changes may occur at the discretion of the Administration. In all instances, the Principal, and/or his/her designated representative, has the right to change penalties whenever extenuating circumstances are present, so that justice may be tempered with reason and understanding.**

DISCIPLINARY CONSEQUENCES

The range of penalties at the secondary school, which may be imposed for violations of the student disciplinary code, includes the following:

Verbal warning	Written warning	Referral to outside agencies
Written notification to guardian(s)	Reprimand	Lunch detention
Removal from class	In-school suspension	Court action
Transportation suspension	Suspension of other privileges	
Suspension from athletics	Suspension from school	
Suspension from extracurricular events	Probation/PINS Referral Superintendent's Hearing	

Depending upon the nature of the violation, it is the desire of the Board of Education that student discipline is progressive, i.e., a student's first violation should merit a lighter penalty than subsequent violations. It is also the Board's desire that staff members imposing such penalty take into account all other relevant factors in determining the appropriate penalty. The aforementioned consequences may be imposed either alone or in combination.

DISCIPLINARY PROCEDURES

When the staff has made every effort to bring about positive behavior change, and has been unsuccessful, the student will be referred to the administration. After the referral, the administration assumes the role of deciding what further action will be taken.

DUE PROCESS

Students should know that, in disciplinary matters - particularly when suspension is involved, they have the right to due process. Essentially, due process involves:

1. The right to be informed of the specific violation they are being disciplined for.
2. An opportunity for some kind of hearing prior to punishment.
3. The right to an appeal.

DUE PROCESS FOR STUDENT SUSPENSION

External Suspension

Suspension of students from classes for serious infractions of school regulations is authorized by the Board of Education. Students may be suspended from school by building administrators for a period of time not to exceed five school days after following prescribed procedures of due process.

These procedures are as follows:

1. The pupil and the parent or guardian shall be informed of the infractions of school regulation for which the pupil is to be suspended.
2. The pupil and the parent or guardian shall be given an opportunity for an informal conference with the principal.
3. The suspended student shall remain in school and under the supervision of the school authorities pending suspension until the end of the school day or until the parent or guardian authorizes and provides transportation from school to the student's residence.
4. In serious cases regarding legal action, students may be remanded to the custody of police. Wherever possible, parents will be notified that this action will occur or has occurred.
5. Parents will be notified in writing within 24 hours of a student suspension.
6. Make-up work will be available in the main office after notification of suspension (the day and time will be agreed upon by the parent or guardian).

NOTE: At any stage in this process, the school authorities reserve the right to actively involve family court action for students less than 16 years of age, and to request a Superintendent's hearing to consider exclusion from other students.

DEFINITIONS OF TERMS

Disciplinary Referral:

A written referral describes the nature of the negative student behavior. Copies are sent to the parent/guardian, staff, and retained in the student's file.

Staff Detention:

Students may be assigned to an after school or lunch detention with a staff member or in the detention room. This detention will be for a period of time to be determined by the staff member for disciplinary violations. Detention is considered to be part of the regular school day and takes precedence over other scheduled activities.

Lunch Detention:

Students may be assigned to a lunch detention period for disciplinary violations. Detention is considered to be part of the regular school day and takes precedence over all other scheduled activities (including work for students).

In School Suspension:

An administrator may assign a pupil In School Suspension for a period of 1-5 days. A student assigned to In School Suspension will attend school each day and then report to the in-school room from 7:45 – 2:25 and is responsible to complete all given work. Failure to follow room rules and/or complete assigned work could result in additional consequences or OSS.

In-school suspension (**ISS**) will be a consequence given when a student's behavior is severe and/or repeated. Students will serve this time in the designated room that is monitored by a teaching assistant. When in the room, the basic rules are:

- No talking, no idle time, and all schoolwork sent by teachers must be completed and turned in by the following day.

Restroom opportunities will be made available at the instructor's discretion.

Out-of-School (external) Suspension:

An administrator may suspend a pupil from school for a period not to exceed 5 days. Suspension is considered to be the most serious disciplinary action taken by the school. It is therefore used only for extreme or repeated violations of our guidelines. According to N.Y.S. Education Law, students may be suspended for being insubordinate, disorderly, or for conduct, which endangers the safety, morals, health or welfare of others. Students under suspension will not be allowed to attend or participate in any school function, or be on any school property (buses included), during the time of suspension and possibly after the suspension if so directed by the administration. Please be aware that suspensions from B.O.C.E.S. programs are enforced by the high school and vice-versa.

Superintendent's Hearing/Suspension:

The Superintendent of Schools may suspend a pupil for a period of more than five days. In this case a hearing will take place with a hearing officer presiding. Specific procedures must be followed before an indeterminate suspension is issued. This is in accordance with Section 3214 of the Education Law and the applicable Board Policies.

Harassment

Definition:

1. To annoy regularly or to trouble another's peace of mind persistently. In a school environment, these actions may lead to distraction in class.
2. Discomfort in moving about the school or even the fear of attending school.
3. When a person's word or actions interfere with another's ability to learn, that behavior is considered harassment.

Philosophy:

Based on the belief that all students can learn, Southern Cayuga accepts the responsibility to provide a learning environment in the school that is free from harassment. Southern Cayuga does not practice and will not condone harassment in any form.

It is our expectation that an educated student body will be a cooperative student body.

SEXUAL HARASSMENT

The district is committed to safeguarding the right of all students within the school district to learn in an environment that is free from all forms of sexual harassment. Conduct is deemed to be sexual harassment when the student perceives such behavior as unwelcome, such as inappropriate touching, verbal comments, sexual name calling, spreading of sexual rumors, gestures, jokes, pictures, blocking a student's movement, rape or attempted rape.

Sexual harassment is a form of sex discrimination. Any student who believes that he or she has been subjected to sexual harassment, whether by a teacher, other student, or any individual on school grounds or at school activities, should report the alleged misconduct immediately to the building administration. The principal, upon learning of, or having reason to suspect, the occurrence of any sexual harassment, will promptly inform the district's sexual harassment complaint officer who will begin an investigation.

In the absence of a victim's complaint, the school, upon learning of, or having reason to suspect, the occurrence of any sexual harassment, will promptly begin an investigation.

There are three kinds of sexual harassment:

1. Physical sexual harassment is an unwanted physical act including, but not limited to, grabbing, touching, purposely bumping or rubbing against a person, and impeding a person's movement.
2. Verbal sexual harassment means offensive words and comments including, but not limited to, comments about body parts, sexual suggestions and sexual jokes.
3. Nonverbal sexual harassment includes, but not limited to, staring or pointing at a person's body or body parts, making obscene gestures, displaying or placing sexual material in someone's locker or book and writing names, remarks, or drawings in public places.

The penalty for students engaging in this type of behavior may range from verbal warning to suspension.

STATEMENT ON SEXUAL HARASSMENT

The Southern Cayuga Central School will not tolerate sexual harassment in any form towards either students or teachers. Incidents of sexual harassment will be dealt with in accordance with district policy.

It is important to be aware that according to a recent Supreme Court decision, a school may be held liable for sexual harassment committed by one student against another. Consequently, we are asking that you closely monitor and deal with student behavior, which is gender or sex based. Please report repeat offenders to the office, as it is our intention to promptly investigate and remedy any and all incidents of harassment.

STATEMENT ON NON-DISCRIMINATION

The Southern Cayuga Central School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and has adopted grievance procedures that provide for prompt and equitable resolution of complaints alleging discrimination. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Compliance Officer: School Psychologist, Southern Cayuga CSD (315-364-7111)

RESPECT FOR CULTURAL DIFFERENCES

Such actions may include but are not restricted to using racial or religious epithets, making derogatory remarks, using stereotypes, or using images or symbols that are offensive.

Any student who feels harassed on account of race or religion is encouraged to bring the matter to the attention of an administrator. Individuals who have been harassed have recourse to mediation and/or formal grievance procedures of the school. Sanctions against any students found guilty of racial or ethnic harassment include educational and disciplinary action that ranges from a letter of reprimand to permanent suspension.

If an offense of academic cheating comes at the end of a course, or in a major part of the course requirement such as a paper or exam, it may mean failure for the course. In all instances the student will conference with the administration and/or teacher. The department and/or teacher procedures for academic cheating will be applied to the situation. Teacher will notify the student's parents and Guidance Office. The teacher will also keep documentation of the incident for his or her own records.

****Other conditions may apply depending upon departmental notification.**

Cafeteria Conduct

A student may purchase or bring a lunch to school. Food and beverages must not be taken out of the cafeteria. The school has the right to deny students the use of the cafeteria if they abuse the privilege. Students are not permitted to order foods to be delivered to school at lunchtime or to leave school property for lunch. Proper conduct should be observed in the school cafeteria at all times. Students should use the lunch lines available. No food is to be taken out of the cafeteria unless a student has prior approval. Any leftover food, cartons, containers, trays or wrappers are to be brought to a proper receptacle before the student leaves the cafeteria. Students have the responsibility to clean up the area they have used.

Refusal to clean an area will be considered deliberate insubordination. Students unwilling to cooperate with staff monitoring lunches will be subject to possible removal from the cafeteria. All students should share responsibility for appearance of tables and conduct.

Students are reminded that the high school operates on a "closed lunch" system, which means that all students are expected to remain on school grounds during their entire lunch period. Students not abiding by this regulation will be subject to disciplinary action.

Further, student vehicles are considered "off limits" during the lunch period and, for that matter, during the entire school day. Students are to stay in the Cafeteria during lunch.

Cafeteria behavior is expected to be that of a student eating at their home table and/or out at a restaurant. Students who cause a disruption in the cafeteria will be dealt with by the administration. A range of consequences has been provided below and explained to the students at the start of each year. The high school has a zero tolerance procedure for major disruptions in this environment.

A Range of Consequences that may be used for Lunch violations are:

Chemical Substance Abuse (Drug/Alcohol)

Drug and Alcohol Abuse

The possession, use of or under the influence of certain drugs is a serious violation of law and punishable by fine and/or imprisonment. A student is required to obey the same laws on school grounds as off. A school or college is not a sanctuary from the law. These institutions are a part of society and subject to the same laws. Accordingly, the school authorities have the same responsibility as every other citizen to report violations of law.

Students possessing or using on school premises drugs prohibited by law should be reported promptly to the appropriate law enforcement officials. School discipline will be imposed (students may be brought to a Superintendent's hearing) at the discretion of the administration, independent of court action.

The Board of Education is committed to the prevention of alcohol and other substance use/abuse. The Board of Education has adopted policy #7320. This policy will be enforced at Southern Cayuga. Students may, as determined by school board ruling, be subject to immediate suspension for possession, use or being under the influence of illegal drugs and/or alcohol, the suspension from school may include a Superintendent's hearing for further review and possible additional suspension (up to one year) from school. A referral to the appropriate Student Assistance Program may also occur.

SCCS supports the use of alcohol sensors and drug testing when and if applicable.

Alcohol Use

To assist in the determination of the use of alcohol the school may enforce the use of an alcohol sensor to determine the presence of alcohol. This device will be utilized in order to test the presence of alcohol. It may be utilized when reasonable suspicion is present for the possible use of alcohol or prior to a dance/after school social function where student(s) may have used alcohol. A refusal to submit to a reasonable search utilizing the alcohol sensor will be interpreted as an admission of possible alcohol use. Appropriate discipline will then be applied.

Drug or Alcohol use will not be tolerated. Any or all of the following procedures will be implemented:

1. A student/parent conference with the Principal
2. An External Suspension (5 days)
3. Superintendent's hearing for further action may be requested
4. Law enforcement Notification if necessary

Alcoholic Beverages

Board of Education policy prohibits the use of alcoholic beverages on school property or at school related activities. Students attending school or related activities found to have consumed, or are under the influence of, and/or are carrying an alcoholic beverage may be suspended from school for up to five days with the possibility of a Superintendent's hearing to consider further action. Students will be ineligible to attend or participate in any extracurricular activity during this suspension. A parent conference will be requested prior to a Superintendent's Hearing.

Use of Alcohol or Other Substances off School Grounds

If a student is a member of an extracurricular activity and abuses alcohol or other substances at a function separate from school, he/she will be subject to suspension from that extracurricular activity as well as school for a determined period of time in accordance to the Superintendent Hearing process.

Bomb Scare/False Fire Alarm

The sounding of a false fire alarm or the delivery or call in of a bomb threat to a school poses extreme danger. Both of these offenses are extremely dangerous to the safety and welfare of everyone. They are also both violations of criminal law. Any student who sets off a false fire alarm or calls into school (causes and/or connected to) a bomb/terrorist threat will be referred to administration, law enforcement, and have 5 days external suspension and Superintendent hearing.

The following procedure will be used:

The Superintendent is notified; Have the case immediately turned over to Law Enforcement; Parents will be notified and conference requested; An External suspension of five days; A recommendation for a Superintendents' hearing (NYS Educational Law states that if a student calls in or writes a bomb threat they will be expelled from school for 1 year at the discretion of the Superintendent of Schools).

Weapons/Explosives

Weapons or Firearms

NOTICE OF UNLAWFUL POSSESSION OF WEAPONS ON SCHOOL GROUNDS

Penal Law 265.01 states as follows:

A person is guilty of criminal possession of a weapon in the fourth degree when:

A person knowingly has in his/her possession a rifle, shotgun or firearm in or upon a building or grounds, used for educational purposes, of any school, college or university, except the forestry lands, wherever located, owned and maintained by the State University of New York College of Environmental Science and Forestry, without the written authorization of such educational institute.

The use, possession or sale of dangerous weapons, knife, instruments or explosive devices (including firecrackers) which have the potential to inflict bodily harm, damage property or disrupt the educational process will be referred to the administration/police. Immediate 5-day suspension from school. Referred to Superintendent/police in accordance with New York State Law-Education Law Subdivision 3 Section 3214.

In accordance with the "Gun Free School Act of 1994," any student, who, after a hearing, held pursuant to Education Law S Section 3214, is found guilty of bringing a firearm on to school property, will be subject to a penalty of at least one-year suspension from school. However, The Superintendent of Schools may review the penalty and modify such suspensions on a case-by-case basis considering among other things, the totality of circumstances surrounding the offense and the student's previous record. Students under 16 will be referred to a presentment agency for a juvenile delinquency proceeding consistent with Article 3 of the family court act. Students 16 and older will be referred to the appropriate law enforcement official. Suspended students with the age of compulsory attendance as defined by Education Law Section S 3205 will be provided appropriate alternative instruction outside of the school from which the student has been suspended for the duration of the suspension. Where a student has been classified as disabled pursuant to the Individuals with Disability Education Act (IDEA), in addition to the hearing required by Education Law 3214, such student shall not be suspended in excess of 10 days unless the district extends such student the additional procedural protections required by IDEA in connection with a change of placement. Final judgment as to the assignment of disciplinary measures shall rest with the administration.

SCCS EXTRACURRICULAR ACTIVITIES

2016-2017

Please note: The information below is an abbreviated version of the extracurricular handbook. Students participating in extracurricular activities will receive the full version from his/her advisor or coach. The contract found on the last page of the full version must be signed and on file with the Athletic Director and/or Advisor before a student is permitted to participate in an activity at Southern Cayuga Schools.

EXTRACURRICULAR PARTICIPATION

The primary goal of the Southern Cayuga Central School District is to educate the whole student, first by stimulating the student academically and then by offering a number of common experiences designed to develop the social, emotional, physical and ethical development of the individual. Extracurricular programs are designed to provide such experiences and are, therefore, considered an integral part of our education program. These programs are, however, a privilege, and a student must maintain a good academic and behavior standing to earn the right to participate.

It is the goal of the extracurricular program to provide opportunities for all students to participate to insure a memorable and positive experience. We would like to make each parent and student aware of the basic policies that govern extracurricular activities at Southern Cayuga.

The NYS Public High School Athletic Association, Section IV, and the Interscholastic Athletic Conference, in concert with our local school policies, govern the Southern Cayuga Central School athletic program. Southern Cayuga Central School competes as a Class "D" sized school in sports.

For questions/comments on an extracurricular activity please contact the following offices:

Athletic Inquiry: 364-7111 x2171 (Athletic Director's Office)

Co-curricular Inquiry: 364-7111 x2103 (Jr/Sr HS Office)

Students who stay for after school activities are not permitted to leave school grounds without permission. Students are not permitted to stay though for late practices or activities without prior permission.

PHILOSOPHY AND BELIEFS

It is the belief of the Southern Cayuga School District that students grow through their involvement in extracurricular activities. It is intended that this growth will result in a healthy lifestyle, which will be prevalent throughout the lives of our students. Each school year, prior to the start of the student's activity, the parent/guardian may be scheduled to attend a general meeting. A participation consent form will be distributed and must be signed by the parent. Athletic Program Explanation:

Prior to the start of the school year in August, a parent/guardian must attend a general sports meeting. Working toward a common goal involves maximum performance and consistent effort for a "successful experience."

All athletic programs will begin at 2:45 p.m. Students staying with a teacher for additional help will be excused from the beginning of practice. Students failing any course(s) may be assigned to attend a study hall Monday-Thursday in the assigned room until 3:15 p.m.

***This standard does not supersede the academic eligibility policy.**

Note: Some of the following competitive, varsity situations are limited in size and space. As a result, cuts may occur. At all levels, each individual will be given an equal opportunity to compete for a roster spot.

SCCS SPORT LEVELS

Modified

The modified interscholastic athletic program is the beginning of athletic competition. Participation is the priority as these student athletes begin to practice with a purpose and develop skills in the sport and those overall skills of teamwork, sportsmanship and discipline. The emphasis is for the continued development of an athlete both physically and mentally. The “winning” aspect is de-emphasized. Each athlete will be given an opportunity to play in regular game situations throughout the season. No cuts will be made at this level. The amount of playing time is determined by the coach at the modified level.

Junior Varsity

Junior Varsity athletes participate in a competitive atmosphere at the interscholastic level. The athlete will be involved in league play and prepare for the Varsity level. Playing time is determined by the coach.

Varsity

Varsity athletics is the culmination of continuous commitment and dedication to a particular sport. Athletes in these sports participate in a highly competitive atmosphere at the interscholastic level. The athlete will be involved in league and possibly sectional and state competition. Playing time is determined by the coach.

ACADEMIC ELIGIBILITY

Students who fail to meet the required academic standards will become ineligible and will not be allowed to participate in extracurricular activities until he/she demonstrates satisfactory academic progress. The following rules for eligibility, based on academic performance, have been established.

- A student who is failing two or more courses will be placed on academic ineligibility for extracurricular activities.
- Students will be required to seek extra help with teachers in the appropriate content area.
- Students failing two or more courses may continue to attend practice but will not be allowed to participate in games until their grades are appropriate.
- In order for a student to participate during this time they must obtain permission from the appropriate building principal. This can be granted after students have their progress journal filled out for the week and are showing effort and improvement in their classes.

DAILY SCHOOL ATTENDANCE

- A student must be in attendance for the full day on the day of the event to participate in any extracurricular activity. An exception would be a school recognized excused absence or exceptional circumstances as approved by the building principal. **If the student is late to school without an excused reason more than 3 times (per season or event) he/she may not be able to participate in an event, practice, and/or game.** The student may attend the event, practice, and/or game.
- For weekend/holiday activities, a student must be in attendance for the last scheduled school day prior to the activity.
- Students must attend all classes including full participation in physical education. The teacher, coach or principal will consider extenuating circumstances regarding class participation on an individual basis.
- Students are expected to maintain good attendance the day following a school activity.
- Athletes suspended in-school or out-of-school for any disciplinary infraction will not be allowed to attend, practice or participate in any contest until reinstated back to school.

INDIVIDUAL SPORT RULES AND EXPECTATIONS

There are different requirements for certain sports depending on their nature and rules. Some are outdoors, some indoors, some are team oriented, others individual, and some are both. The number of participants range widely on the different teams. Specific requirements for a sport may also exist, such as weight classes or use of special equipment.

Therefore, coaches may have specific rules for a sport in addition to the general requirements of the NYSPHSAA, Section IV, IAC, school code of conduct and training rules. For instance, these rules may deal with such things as practice sessions, actual contests, training and transportation.

These rules should be clear to all team members and their parents. In addition, any disciplinary actions for infraction should be known beforehand.

Any athlete or parent who has questions or difficulties with the sport's specific rules should communicate with the coach involved and, if necessary, the athletic director. It is hoped that in this manner athletes, parents and coaches will cooperatively work toward the success of our individual teams and our entire athletic program.

Student/Spectator Expectations

One of the missions of extracurricular school activities is to serve as an extension of the classroom. There are important lessons to be learned in our programs. One of those lessons is to set and maintain high standards of sportsmanship, ethics and integrity in our schools and our society. It is the responsibility of the school to provide the direction and constant vigilance under which good sportsmanship can prosper and have a positive impact on our children, the leaders of tomorrow, and ourselves.

Southern Cayuga has joined a statewide campaign sponsored by the New York State Public High School Athletic Association, Inc. to promote sportsmanship at our events. We feel the need to stress the type of exemplary behavior that should be exhibited by all players and spectators at our events. Section IV rules allow no alcoholic beverages, noisemakers, obscene language, taunting, objectionable cheers or throwing of objects. **Anyone not abiding by the rules set forth by the Section may be subject to immediate ejection from the premises.**

EXTRACURRICULAR CODE OF CONDUCT

The Board of Education, school administration, coaches and advisors believe that extracurricular activities are an integral part of the total educational program. High standards of behavior, scholarship and citizenship are important to a sound Middle School and High School experience. Students volunteering to participate must assume the responsibilities of this privilege and are required to meet high expectations. These expectations involve the use or possession of alcoholic beverages, tobacco or illegal drugs – these behaviors are prohibited for all students. Any student whether participating or not on teams or in clubs representing the Southern Cayuga School District must adhere to these standards without exception per the **SCCSD Code of Conduct** (as outlined in the student handbook). Each administrator, teacher and staff member is committed to promote the physical and emotional growth of each Southern Cayuga student.

Southern Cayuga Central School believes that:

1. Physical and/or emotional growth of students is the most important goal of participation.
2. Academic achievement is a prerequisite to participate.
3. In regard to athletics, additional time and energy committed to participation requires that athletes attain and maintain peak physical and mental condition.
4. Substance abuse is a significant health problem for adolescents and will likely affect a student's emotional, physical and intellectual development.
5. Interscholastic athletics and other forms of extracurricular participation can make the educational experience richer and more rewarding and therefore all students are encouraged to participate.
6. Adherence to certain behavior and academic standards enhances a student's quality of life.

SCOPE OF THE CODE OF CONDUCT

The use or possession of alcoholic beverages, tobacco or illegal drugs is prohibited for all students. The code may also be extended for any student facing any criminal charges. The Code of Conduct applies to the entire student body whether involved in an activity or not, and specifically to all participants of an activity from the time of the organizational meeting that occurs just prior to the beginning of the activity regardless of attendance at that meeting.

The provisions outlined in this policy shall be in effect twenty-four hours a day, seven days a week, for the entire year, for students interested in extracurricular events. This includes sports, clubs and activities that commence before the beginning of the school year or extend beyond the end of the school year. If an individual is suspended because of a violation of this policy during/or prior to the tryout period for a sport or activity during the next season, the individual must complete the required counseling. The tryout period will be at the discretion of the coach/advisor and athletic coordinator/principal. Violations are cumulative throughout the student's two years of middle school participation and disciplinary actions may carry over from one season to another. A student then has a clean slate when entering 9th grade, except when there was a suspension at the end of 8th grade. Violations are cumulative throughout the student's four years of high school participation and disciplinary actions may carry over from one season to another. Social probation is included in the consequences that are outlined below. This means that students would not be allowed to attend dances or attend an event as a spectator during the period of his/her suspension. Use of drugs authorized by a physician or alcohol consumed as part of a religious or family ceremony shall not be considered a violation of this policy.

Southern Cayuga Coaches and Advisors Will:

1. Distribute extracurricular written expectations, specific to his/her sport, prior to the first week of the season; discussion with parents regarding those expectations are encouraged.
2. Discuss the current extracurricular Code of Conduct with his/her team or organization during or prior to the first week of the season or organization's inception and will invite parents to attend. Coaches and advisors will provide prior notification to parents regarding the Code of Conduct discussion.
3. Enforce the Extracurricular Code and expectations specific to his/her sport or activity.
4. Consistently emphasize the importance of the high standards set for all students.
5. Begin practice, when space is available, during school days (Monday-Friday) at 2:45 p.m. and Saturday (as needed). The coach must be present at each practice for supervision.

Denial of Participation and Due Process

The principal or the principal's designee shall enforce the provisions of the extracurricular Code of Conduct. Before the penalty is imposed, the student and parent will be given the opportunity to meet with the principal or principal's designee in an informal conference. The principal or principal's designee will explain the basis for the proposed penalty at which time the student and parent will be given an opportunity to present any evidence regarding the student's innocence or other reasons why the penalty should not be imposed. The student or parent may appeal the decision to the Superintendent of Schools by a written appeal within five days of the initial decision. An appeal will not necessarily suspend the penalty. The decision of the Superintendent shall be final.

Consequences

In an effort to coordinate with the school policy on alcohol and drugs as well as any conduct resulting in criminal charges, the following rules apply to students involved with sports and extracurricular activities. These regulations apply to students while in Jr HS and again while in high school. A student then has a clean slate when entering 9th grade, except when there was a suspension at the end of 8th grade.

- If a student violates the substance abuse policy by illegally consuming, possessing or distributing tobacco, alcohol, controlled substances (actual or purported), during an event in which they are participating, the student will be suspended from competition/event for a period of thirty (30) calendar days. The abuse of non-prescription and/or prescription drugs is also prohibited. As a part of the suspension, the athlete will not be permitted to practice for five (5) school days. The student would then be allowed to practice, but not participate in an event. The suspension of thirty (30) calendar days will be reduced to twenty-one (21) calendar days if the student begins ten (10) hours of counseling with appropriate school personnel or outside agency. Failure to continue participating in counseling will result in the reinstatement of the full penalty. This means that the student would once again begin a suspension for thirty (30) calendar days from the time that the breach in counseling occurred. If an athlete chooses not to attend the practices, he/she will have removed himself/herself from the team. This policy also applies to students involved in any extracurricular activity. Social probation is also included as a part of this suspension. This means that a student would not be allowed to attend a game or dance while on suspension. Any student wishing to attend a field trip that is not part of an academic class requirement would have to complete at least 50% of the counseling services prior to the trip.
- If a suspension has not been completed prior to the end of the school year, it will carry over to the following year. A determination will be made as to how the suspension carries over depending upon whether the student is involved in a fall activity. Any student who is suspended must carry over the remainder of the suspension and will not be eligible to participate in practices.
- Any inquiry into allegations, use or possession of substances as described in this policy will result in parent notification.
- A second violation of the policy will initiate a Superintendent's hearing that could result in expulsion from extracurricular activities or expulsion from school for an extended period of time.
- Proactive Procedures – Students are at times challenged to attend parties and other events where their friends are illegally drinking alcohol or consuming drugs, usually in a non-chaperoned situation. Students who are members of an athletic team or other extracurricular or co-curricular groups who attend such parties sanction and encourage this activity by his/her mere presence, even if they do not themselves participate in the drinking or use of drugs.
- Any such student who is present at any party or other occasion where students drink alcohol or use illegal drugs must immediately leave upon learning of the use, possession or presence of alcohol and drugs and must inform his/her coach or advisor within 24 hours or as soon as possible.
Any such student who fails to leave immediately and make the call will be excluded from the extracurricular or co-curricular activity for the period of time designated by this policy relative to the number of violations that have occurred. By informing the coach or advisor of both his/her innocence, attendance and immediate departure upon learning of the presence of drugs and/or alcohol, the student may thereby safeguard his/her standing on a team, club or activity.

**If the violation were to occur on school grounds, or at a school function, the school policy for all students will be in place.

TRANSPORTATION

During the winter season, practices are scheduled into various time slots. Students may not loiter in the school buildings while waiting for a late practice to begin. The student must go home on their regular bus and make arrangements to be brought back to school for their late practice (Unless other arrangements are made).

All students will ride school transportation to an event. A student who fails to do so will be disqualified from participating in that event. Athletes and their parents/guardians should also be aware of the following:

- a. Any student who leaves an activity early without a written excuse or is late, causing a delay in activity or bus departure, is subject to discipline.
- b. A student will only be excused from riding home with the group if a note from his/her parents/guardians requesting other arrangements is presented to the coach. The following drivers will be approved:
*parents/guardians, sibling (senior licensed drivers), grandparent, aunt, uncle, adult neighbor
- c. A student may be picked up and dropped off in front of his/her house (or a friend's house, if proper permission has been granted) only if it is located on the route taken to and from the game and the coach is notified before the trip is made.
