August 2021

Dear Parent/Guardian:

Southern Cayuga Central School is excited to announced that we will be partnering with the USDA to provide free meals to all students regardless of income status for the 2021-2022 school year. Therefore, there will be no charge for breakfast or lunch meals. However, any snacks, extra meals or ala carte items must be purchased with cash or funds on the students' account. There will not be any charging allowed.

Please be advised that because the school district relies on data from the free/reduced applications for grants and aid purposes, we ask that you take the time to fill out the enclosed application and return it to us at your earliest convenience. No information will be shared nor will it affect your child receiving free meals.

Sincerely,

Loretta Van Horn  
Assistant Superintendent for Business & Operations
